APRIL

MÁRTEZ 1 TUESDAY

Light showers in forenoon cleared up in afternoon  
Brought more palms

Elias got back with about 80 cattle  
Another horse dead, nothing of importance  
Carpenter went to Calchaqui for stones.  
I wrote to Don Alfredo.

MIÉRCOLES 2 WEDNESDAY

Heavy fog in the morning cleared off about 9 o'clock  
nice afternoon  $24^{\circ}$  to  $25^{\circ}$ . Carts hauling palms  
I went to Tomas de Poi & came by boat of Calchaqui  
grass looking fine & all the cattle improving  
Got letter from Don Alfredo. Elias parted  
& delivered 20 head of cattle (his mark) to the  
Capitán of today

Butchard Novillo Marca (III)

JUEVES 3 THURSDAY

At the Laguna Palmero rained heavy, the best of  
the season. at Estancia also good rain  
I returned to Palmero. Carts hauling Palms.  
Carpenter got back with stones.  
Cafaroti returned from Calchaqui

ABRIL

APRIL

VIERNES

4

FRIDAY

Fine growing day. Sol de agua. Heavy lightning in the south to night. I went to see Martin when he could give notes. Elias went to Hartneck's to begin packing in the morning. Carts hauling Palms. Little cart brought wood for Carpenter. Some strangers here for night with a small lot of cattle sheep & goats say they are moving to Cacique from near Calchagua.

SÁBADO

5

SATURDAY

Fine growing day wind South & East. rained a little in the night & had very much the appearance of rain this morning. Carts hauling Palms, tied in some new oxen half wild, but made the trip without accident. To my surprise, I wrote to Don Alfredo & sent Cafarate to Calchagua with the letter & also for some money to pay day fones (recultares) who do not like to take vales. Carpenter made two of goats Butchered Novillo Pancho put in the day looking for some horses that have been missing two or three days. Joaquin helped him.

DOMINGO

6

SUNDAY

Cool & cloudy. South wind: light.  
I went to Hartneck's & came back with the the cattle, about 200 perhaps more. Estancia: not quite so many for company. Cafarate got back with correspondence & money for Peares. Pancho failed to find those horses again. Mashings got here to night lame his horse fell on him foot badly swollen. Got letter from Don Alfredo coming in 10 days with his Brothers.

LUNES 7 MONDAY

Nice cool day. South wind. Sent Veron to notify Don Elias that I have received instructions from Don Alfredo to give rocas & part cattle only where there are a considerable amount. Started another cart hauling Palms. Don Tomas began work again today as Capitan of the carts. Cafarate fixing the floor of the porch. Carpenter working at timber for carts. Mended the fence in front of the house. dried & refiled the compango hides as they were getting too many follicos. Pancho & Balbuena both looking for the lost horses, can't find them. got up the dark buggy horses, will tie them in in the morning. Max travels here for the night with a small lot of cows & sheep from Calchagua to Don Julian's

A little warmer MARTES 8 TUESDAY South & east wind  
 Some clouds about but no rain. Calchagua returned from Elias. Says that he will give general rocas at once beginning at Poma de Pai Thursday (10) Carts hauling Palms. Carpenter made another ox yoke & commenced on water cart. Started a general clearing up of all the patios. Dried in the dark trap <sup>house</sup> above to Morica Salado: brought back wheel barrow & two shovels: Barbieri here asking for roca in Portero Salado. Wrote Don Alfredo Hauling Palms

'Butchered Horilla.'

MIÉRCOLES 9 WEDNESDAY

Some warmer 29°. North wind. appearance of rain  
 Went Puerto Palmer. no hay mowed de noche.  
 Sent Balbuena to Larra with fresh horses for the rocas. heard that the lost horses are in Portero's stall.  
 A feeding cart here for the night.  
 Dried in the trap house again very lively.  
 Cafarate finished porch & commenced on floor of Corredor. Put Veron to help the boys clean up as they seem awful slow: One of the cart men asked liberty for one day to cure the 'mancha' which has broke out afresh in his hand. will start Veron in his place

JUEVES 10 THURSDAY

Nice day. fog in the morning, light north wind  
 thermometer reached  $30^{\circ}$  in the hottest part of the day  
 Carpenter finished the floors & cut a little hay to use  
 green as am afraid to cut much as the weather does not  
 appear settled. Veron: got run over by one of the oxen & says  
 he can not work. Carpenter still at work on the water cart  
 Elias began giving rocas today. the Company & Don Julian  
 the principal porters: Barber & Juan here for night.  
 Ben busy all day clearing up:

Butcherd Novillo

VIERNES 11 FRIDAY

Pleasant weather Barometer still variable.  
 Parted at Ensenada & Troncos. between yesterday & today  
 the Company have parted about 1100 head.  
 Don Sisto & Don Julian with their Peonada are here for  
 the night. also Barber & Cabalan.  
 Carpenter has finished his work  
 It has some appearance of rain: tonight. Mosquitos are  
 out in full force tonight. Sent letters to Calchagua

SÁBADO 12 SATURDAY

Began raining about five o'clock this morning rained hard  
 for 1/2 hour & slower by showers until 10.30 collected more  
 water. Elias did not give rocas. if it does not <sup>rain</sup> more  
 will continue tomorrow. Correspondence has not arrived  
 8 P.M. Don Julian & Socio. with Peonada here for night  
 Dispatched Carpenter: Butcherd Cow:

DOMINGO 13 SUNDAY

Heavy fog in the morning until 10.A.M. Parted on the road to Mistolar & big rocks near Moria. Left the Paturo rocks until later. Will host in Aguas Grande tomorrow. Don Alberto Best here for night. Received correspondence. Plenty of water collected in camp.

Warmish day. much LUNES 14 MONDAY Lightning in the south last night. Cafarate got in some hay. Zorobio sent his daughter over this morning to advise that he could not recover. as was sick. went to see him & recovered. found myself. will send Balbano in the morning. hauling Palms. Don Joaquin came back from revolutos this evening. Sick. Don Tomas Trufaga's carts are here since Friday evening waiting for Don Tomas to receive Comfanz's kids. Mate to Don Alfredo: Butchered cow:

Warm: no wind to MARTES 15 TUESDAY speak of  
One of the cart men lay off to day. says he is lame.  
The other says he is mad at the Capitan.  
I have at last got enough oxen to satisfy the Capitan.  
Wrote to Don Alfredo again.  
It is lightning in the south tonight.  
Don Julian took his horse off today.  
Am sending Cafarate to Balchagui tomorrow for  
staple as we are short of everything in the eating line.  
Zorobio is worse: will have to have the doctor with him  
- ration day.

ABRIL

APRIL

MIÉRCOLES 16 WEDNESDAY

Began raining about three o'clock this morning  
 rained slowly untill 10:30: looks like more rain tonight  
 Received Telegram from Don Alfredo. Cafarate could not  
 go today. Heard from Don Elias that his son had been badly  
 hurt at the Mollis. Don Joaquin went over there this  
 evening. Trafagos cartmen still here: could not get doctor for  
 Zumbis as he had gone to see Elias' son. Butchered Novilla  
 (late) There is quite a storm coming up from northwest

JUÉVES 17 THURSDAY

Rained heavy today untill after 1 P.M. the best rain  
 of the season. water all over the camp  
 At two o'clock started to meet Don Alfredo. could  
 not cross the Calchogui stopped there all night

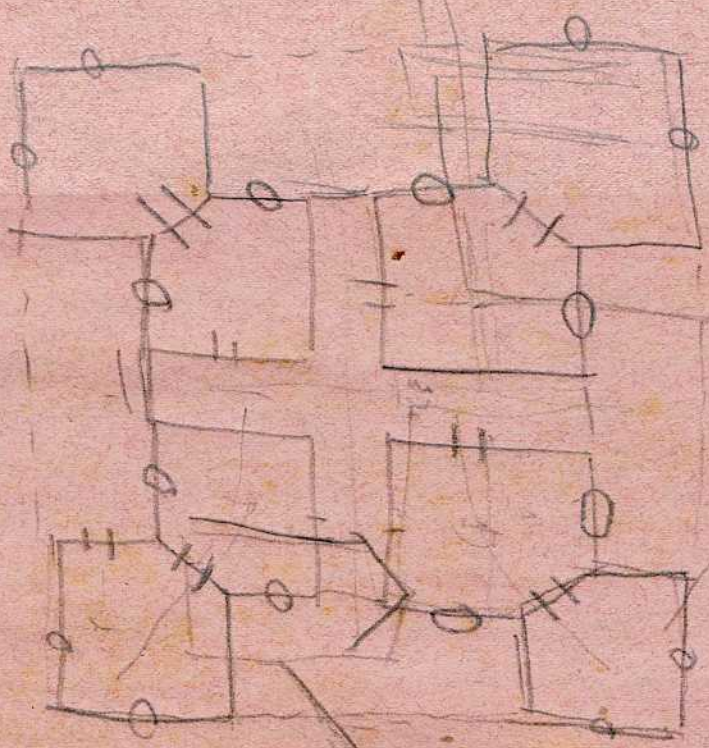

VIÉRNES 18 FRIDAY

Cloudy but warm: sent Chasque to meet D Alfredo  
 Don R & P: arrived at arroyo on horseback about 2 P.M.  
 Elias got back with from 650. to 700: herd of animals  
 his son is a little better A. Post & L. Hughes here for night  
 Made arrangements with Antonio a cart man from  
 other side of Las Cañas to bring cargo as far as paso  
 for - 10.00

then will be big...

SÁBADO 19 SATURDAY

Warm day damp heat and looks like more rain. -  
 Report Calchaqui at paso had risen nearly a meter since  
 yesterday and the water nearly up to Barco's house at Aves. -  
 Took a turn up to Palmar lake with Best. the top palms  
 of fence are about 6 inches out of water. - Best left in  
 afternoon. - Butchered novillo cow. - Nothing particular  
 going on. - Lombardo left for Canchey again. -

DOMINGO 20 SUNDAY

Warm muggy day NE wind variable and looks like  
 rain. Jordan went to Maderos puesto to see whether  
 sheep are not flooded out, - report things all right  
 and Calchaqui not flooded yet. -  
 Sent horse cart to pass Calchaqui and took things  
 which Antonio the cart man brought as far as there.  
 Report greater part of camp down there below  
 water, and only top of posts of Dayles gate  
 out of water. - Don Angela here for night with Wena  
 - seslas who had a bad fall some days ago. - Joaquin  
 also turned up and also J. Suarez

LÚNES 21 MONDAY

Rained all afternoon & still raining tonight. -  
 J. & A.B. went up to puesto Palmar & were out all  
 day. -  
 Jordan & 5 men went to Palmar puesto to make  
 rafts of palms to take to Mistolar. -  
 Butchered novillo on way for J. Jimin. -  
 Elias, Machugo & quite left to part at San Andres  
 etc. - afraid there will be big receipts.

MIÉRCOLES 30 WEDNESDAY

Regulated peones accounts (daily peones) and dispatched them. -

Elias and mensuales left to help at marcacion Wartnecks.

Butchered cow. -

Fine warm day N.E. wind. -

Caferata cutting alfa. raking (in new chacra..)

MAYO

1902

MAY

JUEVES 1 THURSDAY

Warm day N. wind looks stormy.  
 Trying to get in alfa as soon as possible. -- --  
 Lomba & Julian Sanchez here for breakfast. --  
 Tomas & cast left for Calchayqui taking J.B.'s  
 things. Making preparations for A.B. & J.B. to  
 start for down south in morning.

Pleasant day VIERNES 2 FRIDAY N wind  
 Don Alfredo & Bro went south today. I went as far as  
 arroyo Calchayqui with them in the trap & came back  
 by midday. Found Cafarate very much discontented.  
 Says he will leave. Don Joaquin is here yet.  
 Got in all the hay that was ready.  
 Looked over the guns & cleaned up the white handled  
 revolver. Made up Cafarate's acct. he says he will  
 finish cutting alfa & then leave.

SÁBADO 3 SATURDAY

A bit threatening today. North wind: changing to east at times  
 Cafarate finished cutting alfa. He also quit work as  
 he says he can't afford to work for the price  
 Aurora has just returned from Calchayqui  
 Got in more hay & fixed maize box. Belbuzana sick  
 Recovered Salado. Killed wild fig  
 Had to go over all of Co acct. he is very troublesome  
 Doña Emma also gave notice for end of month

MAYO

1902

MAY

DOMINGO 4 SUNDAY

The day was rather warm reached 32° wind light but from the East  
 recurred to Palmas & along Calchagui lots of cattle in that part of  
 camp. Butchered Novillo. Balbuena better today. Hijo de Balbuena  
 left today as also did Don Joaquin. The cart has not returned yet  
 Cafarati got up his horse will leave in the morning.

A Pealler with cart here for night. Peaver did nothing today  
 except Butcher. The Mosquitos are very bad tonight. Lots of horses  
 & cattle here for the night

LÚNES 5 MONDAY

Warm with east wind until about 3 o'clock P.M. when there  
 came up a sudden shower from N.E. about 15 minutes rain  
 enough to thoroughly drench the men who were coming in with  
 the last load of hay. Elias & his men got back from Hartenecks  
 today having done very little. marked 1 calf & fasted nothing

Diego Veron began work today at 25¢ per mes.

Cafarati helped with the hay today - sin sueldo.

There is prospects of more rain to night thunder & lightning  
 all about. Still no word of Don Thomas.

MÁRTES 6 TUESDAY

Cloudy & threatening rain all day. Sent three men on horses  
 to Palmas to make a raft. they made it of about 60 palms  
 & got it off before sundown. I went to Martins to ask roche  
 for next Friday found the bañales mas desplayados.

Carrasco Vasco. Don Tomas got back today about 10 A.M.  
 five days & one half to Calchagui & back.

Got the last load of hay regulated

MIÉRCOLES 7 WEDNESDAY

Rained the greater part of the day but cleared up in the afternoon wind from from the north now 8.P.M.

Sent a man to see where the raft had got to found it stuck on the bottom near the gate. cant get it off. walk lost.

Antonio Carrero loaded some of the hides today

Elias has not returned from Paso yet. expecting him: if Cafarati came back tonight has been to Lucas looking for employment. Have nothing to say am writing for practice. I think I need it as bad as the next one J. M. Gonzalez

I wrote to Don Alfredo & sent it by Antonio Carrero:

JUÉVES 8 THURSDAY

† FIESTA—La Ascensión del Señor—HOLIDAY

Very Warm light N. wind. I went up to inspect the raft impossible to move it as river has fallen too much

Hauled two loads of wood from Palmar. loaded carts with Palms here at house for Mistolar. Elias & Don Sisto here for breakfast. Elias & Sente went over to J. Martins to part tomorrow. Antonio Carrero loaded the rest of the hides today

VIÉRNES 9 FRIDAY

Hot. Sultry. Cloudy day. rained in early morning a little hail. The carts only made one trip to Mistolar Domingo. Veran. y El Tuerto working at corral at Mistolar Zenobia asked permission for two days to go to Calchaga. Sent other letter to Don Alfredo for Zenobia

MAYO

1902

MAY

SÁBADO 10 SATURDAY

A stormy night but did not rain till about 7 A.M. hard shower plenty of hail a few very large after rain cooler. sent other load of Palms to Mistolar. told them to bring back wood. have not arrived yet. Elias & Penado with Don Sisto got back from Martins this afternoon with 8 B. 1 Soayo, 1 Frakes, 1 Santiago. Butchered the Soayo. Vaca of the 8 B. one is a calf that Martin gave in place of one marked by mistake. will mark it Manana! Don Sisto here for night SE. Wind moderate!

DOMINGO 11 SUNDAY

Cloudy & light showers all day. Carts brought one load of wood. Elias & Don Sisto here for night wind still SE light. has the appearance of a wet spell. Very quiet day.

LÚNES 12 MONDAY

Considerable rain last night. Cloudy & light <sup>showers</sup> all day. Could not give rocos too much water in camp the Cia de Tierras have sent their men here. Don Joaquin here for breakfast. Don Sisto left today. Genobio got back with letter from Don Alfredo Nothing of importance

MÁRTEZ 13 TUESDAY

Rained in the night & early morning, about 8 A.M.  
 Cleared up. Wind from the south & cool  
 Elias with mensuales, carreros & Balbuena commenced  
 work on corral. at Estancia. I with footmen<sup>2</sup> took  
 up the water troughs. & novia buckets at Salado  
 The Salado is still full. Companys men went back  
 Butchered cow

MIÉRCOLES 14 WEDNESDAY

Very cool. 12° in early morning. wind South light. Clear day.  
 Elias still at corral work. Two men making mud to  
 repair Peones kitchen. I & Paulino went up to Palmar  
 & lightened raft & started it again. Sent other men this  
 afternoon to assist him. Don Joaquin here for breakfast  
 also tonight. found dead calf up Palmar. the lake has  
 fallen about 6 inches in the last 3 days.

JUÉVES 15 THURSDAY

Still cooler 10° in E morn. The wind E & S.E. stronger.  
 Don Julian here for breakfast. Don Joaquin left  
 for La Paz today. the raft got <sup>to</sup> mistral last night  
 Elias still at corral work. sent letter to Don Alfredo

JUNE

DOMINGO 15 SUNDAY

Warm muggy day 85° N. wind & looks rainy. -  
 A went down to Sono Poi but men had mares  
 up yesterday & marked the few remaining colts  
 (12). - Some novillos of Silvio Michelts had got  
 out of south potrero; sent word to him. - Here  
 nothing going on. - Macheugo took penuleros to  
 puesti Mustolar to begin making troop tomorrow.

LUNES 16 MONDAY

Warm day strong N E wind & looks rainy barometric  
 very low. -

Began making troop of novillos for Sabalifornia.  
 Macheugo & 5 men worked. Parted <sup>1800</sup> 142 from Rodeo Tapas  
 107 novillos good ones and 142 afterwards from Rodeo  
 Mustolar. <sup>2500</sup> Silvano Michelud also parted his novillos  
 which had escaped from south rodeo, and we also  
 parted all agenos & orchaus calves. - Plowing & working  
 in chacra all the same. Scats hauled wood from Paluar.

MÁRTES 17 TUESDAY

Strong N wind sprung up in night and very warm muggy  
 day N wind & cloudy tonight. - Had on rodeo del <sup>1800</sup> Medico  
 and parted 99 novillos & 64 novillos from rodeo Estancia <sup>1000</sup>  
 and a lot of agenos & orchaus calves which we have  
 on a separate ~~sanula~~ <sup>sanula</sup>. Gregorio & Ocampo from Las Rosas  
 began work on tropa. - (9 per dia). Felix from Cacique  
 was here on way to Calchagui, gave vale for 200. % Grdiz.

MIÉRCOLES 18 WEDNESDAY

Had on rodeo Palermo about 1800 head and parted out 120 novillos finished, tropa & agenos & on chauso <sup>calves.</sup>
