

Apr. 13/94. -

Arrived from La California at noon. Pancho (rango) trot me out. Cart in Calchagui brings out the 3. terriers and the goods bought in Pasaris for the peones and valise. Saw Traker in Calchagui. Camps very dry out here, grass all dried up. but several esteros still have water and Salado muy crecida. Had swim in afternoon. Anglared gates of tras-corral in afternoon for marcacion. Fine weather very slight frost in morning. - Miguel books very thin. -

- 14 -

Recovered poteros in forenoon and afternoon had swim. Tipping corral and brought up caballado from Puerto Lorenzo. - Juan the indian juntaring maize. Losos doing lots of damage. Warm day but cool night. -

- 15 -

Sunday Peones arreglaring hoofs & mane of caballado. Recovered up Palmar. Lake nearly dry but canutilla still very good. no water up Palmar at all. Gente beginning to come for marcacion. Had swim in afternoon. Fine day but no sign of rain. -

- 16 -

Cart came late last night. Today counted the cattle viz Tamburas Puerto Felix 216, Tamburas Damasio 35 - Tamburas Lorenzo 50 - Rodeo Mistolar, ⁵¹²⁴Rodeo Palmar - 1413 - calculated Rodeo Salado 4000, Total without poteros (about 700) 10838. Tried to lock in Salado rodeo but had a great deal of work and only locked about half in. Gente worked badly and no order, about 30 altogether to

lock in. Fine day but fearful lot of dust. J. Martin is here to help. -

- 17 -

Locked in a few of the cattle that were near Salado rodeo and marked 664 finished about 1.30 P.M. Tras-corral worked pretty well. captured the muchos Had the horses rounded last night by Ewaldino y Juan. Some gente went to Lorenzo's puesto to recoger tomorrow. Had swim in Salado. -

- 18 -

Rained in night and forenoon so could not recoger to mark. Lorenzo came along from his puesto recogiendo but stopped halfway. -

Put on rodeo of coast Calchagui as far as Damasios' displayado, and ~~coast~~ Calchagui side. locked in very nicely about 2500 and marked in afternoon 729. -

Butchered two cows. Found a vaquilla butchered near Mistolar rodeo. - two men looking for work did it - one was given of Ponce (Entrufians) of Oriental. - Splendid day. J. Martin here. -

- 20 -

^{Mistolar} Disappeared of Salado rodeo straight towards corral from the camp south and had a very good lock in about 2500 and marked in afternoon 672. Worked very well. -

Fine day. Butchered a cow. broke one calf. Dispatched 12 men as aft tomorrow we need less to part. -

- 21 -

Put on Salado rodeo and parted out the cabes that were left over and marked 340 in afternoon. Finished at 5 P.M. and had bath afterwards. Gave the gente a carne con cuero! pasteles y vino. - Finished with the gente. marked so far 2409. -

April 22 / 94

Sunday. Arranged with most of the gente
Nothing particular going on. Some racing.

- 23 -

Had on rodeo in potrero and marked the
calves. 47 tamboras calves and 118 calves
from plantel and old cows. 5 outside men
worked on their own horses. Butchered old
cow. Hunting maize. Looks rainy. Broke
calf making 3 altogether.

- 24 -

Marked the tambora calves of puesto
57 tambora calves and 2 of cerrero
cattle. Hot day & looks like rain.
Brot in maize. Marked 14 calves of
house tamboras. Fixed gate of caballeria.
Marked so for 2643. Butchered
at puesto.

30

Parted out 97 calves from Mustela rodeo
and marked them, also about 50 old
cows & some novillos & torunos to put in
potrero. Cloudy & hot day and dry --
just men from place working.

May 1.

Put on Palmar rodeo and parted out
121 calves & marked them in afternoon.
Also parted 23 old cows for potrero.
Hot day with wind.

- 2 -

Put on Salado rodeo and parted out 48
calves & marked them in afternoon, also
parted out 31 old cows & novillos into
potrero. Making marked so far 2909.

3.

Parted out at our French neighbors of
Junta Monte Aguera. rodeo near Luchacho
near Fort Union. Parted 13 of potrero
cattle. Mucky drizzly day. Butchered

May 4 / 94

Parted out troop from potrero which Miguel
takes tomorrow 312 altogether viz --
116 novillos - 128 cows - 52 torunos, 16 oxen.
Good troop except some old cows are thin.
Miguel (Capataz) Tomas Bergara, Clemente,
Domingo Ledesma, Lucas, Rojas (Media Luna) go.
Murkish day & looks like rain.

May 6 Sunday.

Trope started yesterday, Alfred & Pauchó
went with them as far as Media Luna
where they locked in. Left old milk
cow behind & 1 novillo (haze) and a mocha
cow escaped corral last night at Media
Luna. Making 309 gone in Trope. Gave
Miguel \$50.00 along for expenses. Horse
of Lobuna tropilla died also a calf estropeo
of spina. Butchered cow of Baldomero's
wife got baby girl last night. Storm
all dissipated and no rain. -- Men on
place are - Elia^{40.00} (Capataz), Baldomero¹⁸ & Pauchó¹⁸
mensuales. Benito^{15.00} caballeriza. Eduardo^{20.00} chacrero.
Felix³⁰ puestero with Camila & Euligio^{3.00} Capinoso.
Damasio^{18.00} puestero at Paso Mistolar.
Lorenzo^{20.00} " South with boy Ramon^{6.00}.
Ewaldino^{8.00} " Palmar
Gallegos¹⁰ chacrero a medias in potrero.
Angela^{8.00} cook, Eulalia^{6.00} cook, Espinosa^{6.00} lavandera.
Total \$252.00 per month, Miguel 100.00 = 352.00

- 7 -

Began raining this forenoon and had a very
nice rain, not enough to juntar water, but will
do camp a world of good. Nothing going on. Recer-
ered towards monte.

- 8 -

Foggy morning and fine growing day.
Eduardo harrowing Maiz stalks. Nothing
particular going on. A. going tomorrow to
Cachagua. Vera & Yocare.

May 14 - 94

Came back today from Jacare.
Went to Vera on the 10th & took out quire
for trope & sent it down to Miguel.
Then went to Jacare with Elia on
the 11th and marked the colts 75-
35 machos & 40 hembra. & parted
out & sent out 12 potros of our mark
to break. Mares not looking well on
account of long grass and scat.
Cattle over that way looking thin &
camps dry. - Met towards Curva, Mariano
Seiva, Jefe Político Cabrera, W^m Stevens,
Abro. Lorenzo Larquia, Luis Botet,
W^m Livingston. Had good time.

Hired Patricio Ruiz (son of Lidora).

Butchered - on the 9th & today.

Eduardo is plowing for barley.

Weather looks rainy & grass has
sprouted some.

- 15 -

Last night had put potros into Salado
potrero, and caught a pair of malacara
for my mount, turned out quite tame.
J. Martini was here to see about marking
tomorrow. Fine warm day. - - -

- 17 -

Yesterday all hands went up to Martines
to give a hand at marking. Had a
bad lock in and only marked 146 yesterday
and today marked 50 more on odes.
Warm weather. Nothing going on here.

Eduardo harrowing. - - -

did 700 mytigs B - 18 -

Fine warm day, North wind

Butchered a big lame novillo & for hide.

Eduardo harrowing.

Nothing extra going on. -

Butchered Priests Lorenzo.

- 20 -

Sunday. Yesterday sent for our cart up at Martines
and cut linea at puesto Felix (other side Calchagui.
Alfredo went recorriendo up as far as puertita
at Wampita where the cattle 100 odd of Farias
are. Found Victor Garcia there. Had a look
through their cattle and came down the coast
towards Laguna de los Aves when suddenly
met about 1/2 league from the puertita 6 men
driving a big fat overo negro cow and a
2 yr old torito towards the puesto. As soon
as they saw me they cleared towards the
monte leaving the cow. Also 2 dogs of the
puertita stopped behind. I immediately
galloped towards Felix puesto in hopes of
finding Elia there, but he had already
left for the Estancia. So we immediately
at sun down with Elia, Baldomero, Patricio
& Felix went up at Verroza de las Perros
and slept there, and this morning early
went to the puesto and found there with
Victor Garcia, Isabelino Baretto (a neighbor
of Urbano Avalos) who has the cattle on shares,
and the two boys Victoriano Zanariago (or
Garcia as Baretto said) and Prudencio
Pamaga (or Garcia). They denied having
any thing to do with the robo, but said
that they had met Montenegro & son with
5 or 6 more running in the camp. Yesterday
Victor Garcia said that the boys had gone
out with Montenegro running to the south.
Felix & Patricio found the track of the 6 men
in monte close to the puesto, where they
had come down yesterday morning. - - -

So we came home again and I wrote a
letter to Sr. Cabrera jefe at Vera complai-
ing. - Eduardo goes to Calchagui in
morning to bring out barley to plant -
Ewaldino sent word that tracks were seen of
indians near Chilcal. Hot weather with
strong north wind. -

May 21/94

Eduardo left for Calchaqui this morning early with packmule. Brought two cart loads of fire wood from other side Puesto Felix. Weather suddenly changed at noon into a regular temporal but no rain. Pedro Benavides was here wanted to borrow \$50.00 gave him a letter on Pastorelli.

- 22 -

Carts brought two loads of fire wood again. A. recovered south along Calchaqui. Juan digging out patatas. Very cold day.

- 23 -

Frost this morning. East wind. Eduardo came back from Calchaqui, bringing barley st. Juanillo began work ^{at noon}. Caught up 4 potros & to tame. Juan digging out patatas.

died - 1 overo horse Lorenzo Tapera

" 1 morra cow of tropa at Juan Cabrera.

" 1 novillito (calf) at Lorenzo Tapera.

S - 24 -

Sowed about 1/2 square ^{90x115 yds.} of barley with the 100k. seed. Eduardo harrowing. Juan digging out patatas. Another frost.

- 25 -

Hauled the patatas home and put them in a trench. Left about 1/2 without digging. Felix goes to Calchaqui tomorrow.

Another frost slight. Cutting maize stalks to remake ramada.

Butchered blue corn novillo

- 26 -

J. Martin was here. Caught up 3 more potros. (Indio) Juan brot load of algarroba from paisanos. Took down ramada to remake.

Slight frost - Eduardo cleared up barley land.

died - 1 calf killed by lion near puesto.

- 27 -

Sunday, A. recovered the monte. - Rec'd letter from Johnnie saying Miguel had arrived with tropita on the 21st with 120 cows - 16 bullocks 157 novillos & toros. leaving 19 on road. - gastos \$30.95 - It was a windy day slight frost.

- 28 -

Elias went to Calchaqui. A went to Martin's and helped finish mark with peones. Juan (Indio) brot another load of algarroba seed from toldos. Eduardo boring vanillas for fence. It was a temporal sort of day but did not drizzle.

- 29 -

Elias came back from Calchaqui. Eduardo boring vanillas. Juan (Indio) not working. Arranged with Juan Antonio & Cruz for algarroba seed 390 kilos @ 30¢ \$11.70 - Butchered old cow.

- 30 -

Very hard frost. Juan (Indio) and Eduardo brought load firewood for house. A. recovered monte near puesto Felix. Peones remaking ramada and riding colts.

- 31 -

Eduardo left for Pajaro Blanco for a few days. - Juan (Indio) not working. A. recovered up in monte towards Laguna del Perro and Wampita way. - J. Martin is here, reports indians stealing 3 horses from soja on night 29th. Cold cloudy day.

June 1 1894. -

Another hard frost. -

Two chaps from Pajaro Blanco -

Young Wilcken & Adolfo Tappan came
today looking for camp - stop the night.

Butchered old cow. -

Died " " in potrero

" " " " last week.

" " " " " "

Brought load of tijeras from near puesto
for lamada. -

- 2. -

Two chaps that came yesterday went
up to Martin's to revisar other costs of
Salado. - A. went as far as Martin's.

Died calf killed by lion near puesto. -

Patricio & Baldomero went to Calchaqui.

- 3. -

Sunday. Nothing going on. Elias
recovered as far as monte. North wind
cloudy day. -

Butchered forelegs tomorrow. -

- 4. -

Coldish day. South wind. Wilcken &
A. Tappanier stop the night on way
back to P. Blanco. They had looked at
camp beyond Fortin Union. Cart
left for Calchaqui. -

- 5. -

A. recovered monte towards Arroyo Pardo.

Butchered old cow. Nothing going on. -

- 6. -

Cart came back from Calchaqui,
bringing yerba, rice, flour, soap, 2 empty
barrels, etc. A was up at Palmar,
trated with Juan to cut & roedar 300
long palms at 10.00 per 100. -
Windy day North

June 7

A. recovered southwards. caught up some
more potreros & J. Martin stops the night. -

Nothing fresh going on. -

- 8. -

Warm day, cloudy & looks like rain. -

- 10. -

Sunday. Alfredo yesterday went to Loreto
puerto & slept there & today recovered monte
north of Mercedita. Killed boqual & pig.

Butchered yesterday. Morell & Mendaza passed
today looking for camps to poblar. - ^{to Laguna} Corra.

- 11. -

Caught up 3 potreros B from potrero. -
Cold south wind & temporalish. Frakes
stops night on way to Martin's. -

- 12. -

Alfredo went with Frakes to Martin's. F. stops
night again, also Eusebio Saavedro & Urbano
Avalos who goes out to Martin's looking for
camp. - Very hard frost, worst yet & south
wind blowing. -

- 13. -

Butchered old cow. - Lent horse to
Frakes to go to Calchaqui. Saavedro &
comp. passed on to Martin's. Cold weather
& cloudy. -

- 14. -

Died cow malparicion. Cold cloudy
day. Nothing going on. -

- 15. -

Alfredo recovered over towards Humpita.
Fine day. - but very dry. -

- 16. -

Put on south rodeo and parted out 5 cows
& 3 novillos & put in potreros to butcher.
Butchered 1 big novillo. Very hard frost. -
killed one of the little pigs to butcher
roast in the oven. -

~~June 17 -~~
~~Lorenzo~~
~~Tobacco~~ 1.25
~~Damasio~~
~~Jabon~~ 1.20 ~~Tab 3.00~~ 4.20

June 17 -

Sunday. Miguel came back from down
~~with~~ bringing 74 yeguas & horses viz:-
 44 yeguas desechados con 4 crias, 12 horses
 & 1 madrina morras, 4 potrancos 2 1/2 yrs.
 1 potrillo blanco aña, 1 coludito rosillo 2 1/2 yrs.
 1 torcillo horse, 1 coludo putajo, 1 potrillo petizo
 tuerto, 1 burro hechor, 1 potrillo mala cara (Miguel)
 1 oscura horse, 1 potrillo K for Livingston. -
 10 1/2 days on road. On road down
 with trope slept 1st night Media Luna
 2nd ronda Casti Concha, 3^d Nicolas Jaller
 4 La Jara 5 Soledad, 6 Col Aranz, 7 Pelado
 8 front Progreso, 9 Casti Cululú, 10 Sturrape
 11 San Agustín, 12 Maciel, 13 Bolastine & Orozco

 Frutos este en Orozco 2 torinos, Campo Sando
 1 torino & 1 nov. muerta, Puente Cululú Damas
 Caravaján 1 torino, San Vicente de Briondo, torino,
 La Pelado, torino, Nicolas Jaller 1 torino, 1 cow
 died in Salado, 1 cow died at Media, lost
 back from Media Luna, nov & 2 cows. 1 cow
 died at N. Jaller. 3 supposed to have got away
 from Media Luna in lock in - 19 in all. -

- 20 -

Last two days was a nice temporal with
 a little rain. This afternoon cleared up.
 Butchered old cow. -

June 27 - 94

A. Came back this afternoon from San
 Cristobal - had gone there on 21st - slept
 1st night at Hobson - 3 nights at San Cristobal
 4th at Bruce & 5th at Hobson. Gates, Richards
 Lee & Climinson at Estancia. Lykes at Hobson.
 Found telegram here saying cablegram
 from London. Camp Telegram received
 de Londres oferta aceptada por los Calles.
 Nothing going

- 28 -

A was at Martinis. Frakes & wife passed
 at noon for Calchaqui to bring out their
 pigs to Martinis. Peones fixing brocal
 in well. J. Martin here, tomorrow we
 go out to Salitas Laguna Cura. - Fine
 warm day. Grass sprouting. -

- 30 -

A. came back from Salitas Cura where he went
 yesterday with J. Montis, Patricio & Juan
 Antonio. - Lakes up there almost dry and very
 salty and cañutilla of course all dried up.
 Slept coast of monte but found no water. Only
 saw an aguara which escaped. Miguel
 yesterday saw some cattle tracks near Waupita
 and today went to follow them with Elias &
 Baldomeo. - A chap from Inca stops a
 day or two as his horse is tired. - Guess he is
 Faraira from Las Rosas. Fearful north wind
 yesterday & today - guess will blow a tormento
 together. -

July 1 -

Sunday. - Miguel recovered monte
 beyond pass again. Another beastly north
 wind. - Mail came from Calchaqui.
 Ursus de Gomez & 2 peones passed on way
 to Martinis. - A goes tomorrow to Sajao
 Blanco weather permitting.

July 9 / 94

A came back this evening from Pajon
Blanco where he had gone on the 2nd.
1st night slept at Calchaqui, 2nd at Casma
3, 4, 5, 6th at Hapes and 7th at Calchaqui.
Had very nice time. Delivered colt K at
Jacare for Livingston. Met Dick Morgan,
Jeffilo Ricketts, Falkland Ricketts, Bell, Davy
Morgan, Mr & Mrs Hope & Miss Helen Domselaar.
Had rain over there, but here none at all
and weather has been very warm, Camp
looks quite green. Here every thing all
right. Parted 4 rees out last week and
put in potrero. — Spent 24. —
#3. To Patricio gastos) 2 for Potrillo, 2.2 gastos
17.2 To Pastorelli.

Aug 5 —

Johnnie & Bischoff arrived from
Rosario.

— 6 —

Had on rides for first time this
spring. Took J. & B. as far as enun-
ada punto.

— 15 —

Came back from hunting, had left
on the 7th. Johnnie, Bischoff, Alfred,
Elias, Domingo, Ewaldens & Juan.
Camped 3 nights opposite Estero Tejas
in monte 4 " north of Laguna del Barro
& 2 nights near Palmar del monte.

Bag 3 cuivos, 3 leon, 3 cuati, 9 black
pig, 2 cowato pig, 10 jabali pigs, 1 ostrich
3 aguara, 1 zorro, 3 guasunchos, 1 antbear
1 gato onza. — 40. First days were fine
cool & cloudy, last two were hot &
looks stormy. Also caught 3 young
black pigs.

Oct 15 —

Came back from up Salado — had left
here on 10th 1st night slept at Martin's,
2nd at Paso where Indians from Ceres had
passed, 3 & 4th at Laguna del Garabato,
5th near fincitas of Verde Salado, Intended to
have gone to Cacique but did not on etc of
P. Robson & Sykes & Ewaldens Cruz &
try Eulopis went. No game but 1 horse,
and chased band of bagualis near Durocho
Solo.

— 16 —

Had on Salado rides & parted out &
marked 77 calves, broke 2. Miguel left
with Juan indio & Marcelino ditto to
follow up some cattle tracks going towards
Chileas. — Fearful day storms dust &
wind.

— 17 —

Rained morning early, afternoon cleared
up. Skinned two of the fine bulls. —
Planted melons sandias etc. Transplanted
batatas. Cool evening.

Wrote letter home! Gave etc of Hegathens
cattle: — 3 novillos & sent south to summer
I believe 4 cows of original lot pure yet. —

marked 1894 — 10 calves

1893 8 "

1892 8 "

1891 6 "

There should be 40 to 45 head. —

— 18 —

Fine growing day. Skinned a bull near
pass & 2 animals struck by lightning
in potrero. Benavides sent Pedro to repair
the 50th burrowed in June. Ranchos could not
find horses missing. Says Colorado red-
omones passed the barra. Robson sent for
Yrta & Tabaco.

next page first.

Nov 6/94

Splendid rain this morning and day before yesterday morning. Juntaron a little water in cañadas. Seaca broken. Miguel Elias, Juan Gomez, Wenceslao, Patricio & Eduarte went yesterday afternoon to part at Media Luna. A. yesterday morning visited people at Wampita (Jimenez) Agustin (chaquero) transplanted some batatas. Gomez in potrero planting maize. Olivero doing odd jobs on place. Peones on place are ^{Miguel} Elias (capataz) Agustin (chaquero) ^(indio) Wenceslao, Patricio, Olivero, Juan Gomez, ^{Eduarte} ^(indio) Eustacio (caballeriza). Wenceslao Gomez in potrero. Felix, Rubis & Eulogio (boy) at old pueblo. Damasio pueblo. Mistolar. Baldomero Paucha at pueblo sur. Ewaldino & Juan at Palmar.

- 28 -

Began parting novillado for tropa south. 12 day peones working: ^{Ewaldino} Luis, Raquel, Caseros, Tomas Bengara, J. Hijino, Patricio, Juan Gomez, 2 from Aguara, to help part 3 men. Had on ^{Miguel} south rodeo which was rather small and parted out 370 novillos, and locked them in Estancia Corral. 3 got away. Good day for working and plenty of water in the cañadas.

- 29 -

Had on Salado rodeo which was rather small and parted 138 novillos. Had to pass 4 to lock in. Butchered cow. - Left novillos out to feed & water this afternoon. Same gent as yesterday worked. Hard south wind blow in afternoon regular tormento but no rain.

- 30 -

Put on Palmar rodeo and parted out 425 novillos & 10 black & 10 calves to

Next Page first.

butcher on road. Rodeo was about 5000 head. Had novillos out to water & feed in afternoon and afterwards counted them in corral - 900 novillos & 10 calves to eat. Elias goes as Capataz & Eduarte & Ewaldino go with 9 other peones. 12 in all. Gave Elias \$50⁰⁰ along. - Romero & Antonio worked 3 days & tomorrow. -

Dec 2

Tropa started yesterday 900 novillos 10 calves to butcher. - Elias Ledesma goes as Capataz and takes 11 peones @ 3.⁰⁰ pr day \$1.⁰⁰ pr day. Locked in last night at Media Luna, and passed the barra this morning. - 2 peones from here went as far as Barra, and 1 peon from Baldomero. 3 peones from Nelson helped as far as Media Luna. - Said cattle got through corral last night but none got away. - Alfredo stopped night at Nelson. Dona Angela goes to Corrientes on 4th and Alfredo leaves for down south also on 4th. - Peones at Estancia now are Pilar Benito, Agustin (chaquero), Gregorio Olivero, & Wenceslao (indio) and Eustacio (caballeriza). - Eustacio goes in cart tomorrow. -

Oct 19 / 94

Jose Eugenio came back from San Javier
 did not bring any horses. Says Jefe
 of San Javier has a meytzo pair of
 our mark but would only give it up
 to myself. also a chap named Alvarez
 has horse lays but hides it away.
 G. Moore also has horse but was in
 Magerotto's camp. Patricia got his
 foot hurt yesterday by a petro. -
 Butchered cow. - Miguel came back
 from Chilcas. Cattle tracks belonged
 to Morello's cattle. J. Martinez stops night.
 Campers dead bulls - nil. -

- 26 -

Alfredo came back from San Cristobal
 He had left here on 21st. Saw Gillingham
 about buying this land. Gil. - holds
 the contract signed in London with Marty.
 He will make out paper by Escribaud
 Public in Santa Fe in 15 days or so.
 Land to be measured twist Calchaqui
 and east bank of Palmar lake and south
 of fence. Elias had captured 16 colts
 in Yacari and Salinas had cut 4 before.

U. Gomez came to potreros with family.
 Nothing extra going. The Paraguay plowing
 for may. -

April 8 / 95. -

Left home on 18th of March.

19th in Rosario making purchases of dry goods. -
 Ironware, drugs etc, and attended 1st meeting
 of Santa Fe Rural society. -

20th left Rosario for Santa Fe with Mr Marty; met
 Mr & young Ricketts, Richards etc.

21st went to Reconquista. - with Marty.

22nd Reconquista. Saw Gillers on business, and
 also drove out to Ramayons place on a visit. -

24 to Calchaqui

25 " Bajada Blanca with tropella & Patricia.

26. At Hopes. saw Juez, also went to George Spence.

27 " " & down at Corralitos. -

28 " " & the juggado with witnesses.

29 To Calchaqui

30 " Palmares. -

31 Sunday. Took ride to Palmar lake with
 Marty

Apr. 1. Had an Mistolar rodeo, cattle fat. -

" 2. " " Salado rodeo, and left in after
 noon for San Cristobal & got as far
 as Muella. - Alfredo, Marty, & Mariano; black
 tropella & pack mule. -
