- 11 -

Hard frost. 1 cart went to Balchagua
to bring hides. & 2 carts to take
to Puerto Jely. Butchered cow.

- 12 -

Another hard frost, & cold day. -
Elias & spouses making a palm
corral in Palmar for oxen. -
A. recurring south puertos. -

- 13 -

Had on road in potreros and
parted out 127 animals to camp,
as potreros is overstocked.

Another hard frost. Butchered
old cow. - 14 -

^{no frost}
Sunday. Miguel left for Calcha-
gui to buy maize. Carts go tomor-
row. Antonio's Moreira came. -
J. Martin was here, & brought his
cart. which we send in with ours.

- 15 -

Sent 43 bullocks & 2 novillas to
Palmar with Eulogio to take care
of them up there. The carts 2 of ours
& 1 of Martin went to Calchaqui to bring
out maize etc. - 43 bullocks to Palmar 12
to Calchaqui & plow = 59. J. Moreira left.
Ortiz began harrowing maize stalks
together. - N. Wind cloudy & cold. -

July 16 / 95

Frost & hard north wind today, warm. -
Butchered old cow. - Elias found one of the
new bulls dead on Salado. Dona Juana
& Meca were here. Sent 50.00 to old Juan. -
Ortiz harrowing maize stalks. -

- 17 -

Elias with Patricio and Juan Gomez left
for La Camila to part before they move
their cattle away. A. recurring monte. -
One of the young bullocks died extirpeado

- 18 -

Ortiz harrowing & cleaning up maize
stalks. Robson, Lumsdaine, Joddington,
& Verstrynne turned up, and we had a
posado up to Palmar but mosquitoes fearful
bad.

- 19 -

Visitors left again for Molle. Elias came
back from La Camilla, parted 6 calves
out & no big animals which seems
very strange. - Miguel also came back
from Calchaqui, reports having bought 300^a
maize @ 63 with bag. - Trofella of morros
lost since 17th. Camp full of mosquitoes
& hard north wind blowing. -

- 20 -

Butchered cow. Carts turned up this
evening from Calchaqui bringing 3000 K
maize, 1 bag flour, 2 box soap, sugar etc.
and also Martin's things. Ortiz cleaning
chacra of maize stalks.

- 21 -

Sunday. - Miguel & Elias recorred way
up in monte. Cattle going far on
account of the mosquitoes. -
Another day of hard north wind. -

- 22 -

Alfredo recorred as far as Wampite
Gimenez. Miguel recorred as far North

— July. 1895. —

as last Palmar. Elias also recovered. Morros still missing. First mangua of locust passed north ward. South wind tonight after 6 days N wind. Cloudy weather. Cut some orkones at Puerto. — Huntaing maize stalks in chaera.

(23)

Drizzly day & tonight began raining. Temporalish weather. —

Butchered cow

Noticias that tropilla of redomones & some mares had gone towards Calchaqui.

— 24 —

Miguel left with his tropilla & fore Higinio to camp for the missing horses & mares and also to bring out Johnnie if he comes on the 26th. Alfredo went up to Martinis & parted out 4 animals. J. Martin stops the night. — Rained last night and rained a gain this evening. —

— 25 —

Cart left for Calchaqui to bring out the 6 bags of maize from ~~frederaguite~~ & Johnnie's things if he turns up. — Rained some last night & is quite warm & cloudy. Guess will have lots of rain. Nothing going on. —

— 26 —

Recovered the 4 south puertos. Nothing new. report Cabalo's cattle have all taken to the monte last week during the north winds. — Cloudy cool day. —

Butchered cow. Bro't 5 orkones from monte.

— 27 —

Fine spring day. Miguel came back from Calchaqui. Found 19 horses & mares near Calchaqui. Johnnie Bishop

July 1895

come on Aug 2. according to Telegrama. Marked 2 machos albos, 1 hembra. —

— 28 —

Sunday. Juan the indio found the fence cut in two places on the 2nd angle from his toldo. Suppose the morros & picars. * Ortiz's lobuns were taken through by the indians. Elias recovered to Laguna del Perro. Hughes is there. a cuadrilla of about 12 of our cattle are there. — Peones & Antonio Moreira turned up to make tropa. Cloudy day, muggy. — Wind turned south after hard north wind all morning. —

— 29 —

Put on Palmar rodeo about 4000 head, and parted about 100 old and ugly cows & send south. Afterwards drove cattle to Salado. Cattle look very well, about dozen small calves. Antonio Moreira, ^{Capataz} Antonio Pinto & comp. Mariano, Eduarte, Rojalis, Patricio, & Agustin worked on their own horses. Butchered old cow. Sent Juan Gomez & Vera to take out quias. Juan reported tracks of 5 indians, 2 on horse back & 3 on foot seen by Santos. Berra ^{Santos} ^{sent Juan to track them up to Santos} coming this way. — Muggy morning but clear afternoon.

— 30 —

Put on Salado rodeo and parted out 74 old cows. Same gente as yesterday worked. Tropa went to Puerto. — Tropero butchered a cow at Puerto. — Foggy morning but fine day. N. wind again. —

— 31 —

Had on Mistolar rodeo and parted out about 725 old cows to completar the troop of 300. also 6 black calves to set on road. They look in at Felix tonight. Paid 2 outside men \$18⁰⁰ for 3 days work. Fine day. slight frost. — Butchered old cow. —

August 1 / 95.-

Dispatched the tropa 300 old cows
6 calves to eat. Gan Moreno 60.3
pernos are Moreira (capataz), Pinto,
Eduardo, Rejilio, Patricio & Marianas. -
Brought two loads of hides from Patucar
1. Sent subis Benites with cart
to Calchaqui. - Splendid day. -

Don Juan Gomez came last night from
Vera with quia which cost 1.00 gasts
\$9.50. - August 2 /

J. Gomez left with two horses to bring out
Johnnie & Bischoff. It was a hot
stormy looking day. - Began working
on corridor back of house. -

- 3 -

Mounted horses in camp. - Awaited
J. & Bischoff who did not turn up.
Harder, A. Hartneek & C. Rohr turned
up & stop the night. rather knocked
up by heat. - Hot day NE Wind.

- 4 -

Sunday. Visitors left, lent them tropilla
oscuras to go back with. Treated
with Mefrs Harder & Hartneek for
camp twixt Calchaqui & Wampita
5 yrs. @ 2000 for 3 leagues per yr. -
Will let them know by tomorrow. -
Johnnie & Bischoff came this morning,
for their annual hunt, brought along
etc. - Miguel went down to La Canilla
to see about the cattle which are
being moved away. Warm pleasant
day. -

- 5 -

Getting ready to go outside tomor-
row. Hot day & looks rainy again.

Aug. - 18 / 95. -

Came back yesterday noon from
outside. party was Johnnie, Bischoff,
Afredo, Elias, Ewaldino, Juan, Jose
Higinio & Juan Antonio. Slept 1st night
Estero Las Tijas, 2nd & 3rd old camping
ground North of Laguna del Berro, near
road to Chilcas, 4 & 5th head waters of
Sarnocita, 6 & 7 near confluence of
Sarnocita & Golondrina in monte, 8th & 9th
south of east picado from Cueva del
Tigre in monte, 9 & 10th Estero Las Tijas.
1st home. - Bag; 1 gran bestia, 3 gats
viza, 2 gamma, 2 aguara, 1 ciervo,
1 chanchito negro, 1 chanchito cirbato,
5 jabali, 1 gati morra, 5 quazu guiras,
1 cuati, 1 leon, 3 aquaracitos vivos,
1 blue eagle. - 2 indian horses (mare). -
Saw any amount of indian tracks, &
Morrells cattle & tracks, Indians stole
at Laguna del Berro on the 4th. Had rain
on the 8th but not much water outside.
Miguel parted at La Canilla where they
have taken their cattle away. -

No Mosquitos & fine weather, but want
rain to bring water for cattle. -

Botson, Lunsdaine, & Verschyn also camped
at Estero Las Tijas with us for two days. -

- 19 -

South wind again. Immense mangas of locusts
passed north wards. Sent cart to Calchaqui
with skins etc. Visited Trakas & Martini this
afternoon. Miguel went to sleep at Baldomero
to recover monte tomorrow. - Driving cattle
to Salado for water. -

Aug 24/95.-

Came back from Calchaqui at noon.
Had gone in with Johnnie Beschoff
on the 20th. Also went to Espin to see
Livingston about posts & went to
Vera and Stevens saw mills.
Rumours of Revolution & Indian
alarms up north. Nothing new on
here. The corridor back of house
finished. Weather fine had nice
rain on 19th night.

- 15 -

Sunday. Parted out Elias cattle
from potreros & take them to Felix
puerto. - about 37 head. Warm day.
Looks rainy.

- 26 -

Parted out at Lucero 3 animals.
Very strong cold south wind.
Butchered cows.

- 27 -

Miguel, Elias, Checho, Julian, J. Gomez
& Wenceslao left to part at Medio
Luna. A slight frost this morning
but N.E. wind again & warmish.

- 28 -

Nothing going. East wind.
J. Higuera came back from Malabrigo.

- 29 -

Ox died (young). Apartadores came
back from Media Luna - parted out
about 147 and did not finish. No one
there to give them rodeo.

- 31 -

Uprado went to Calchaqui, & Estacion
Espin. yesterday & came back tonight.
Sent contract for Guampiti camp.
Buenos Ayres to be signed by Hartwick.
Cia. But two car loads of posts

from Livingston ~~about~~ 380 @ 1.00 the
sent & last is as freight is \$99.90 per
car load. - Gave an order on Marty for
the amount. Met Bower, Livingstons, &
Stormy weather, Santa Rosa
but no rain. Butchered yesterday.

Sept 1 -

Sunday. - Beastly cold cloudy day
and looks like if it would rain any
moment.

- 2 -

Butchered cows.
Put on Palmar rodeo for the neighbors
but only Lucero people turned up.
Marked 29 cabros in corral & captured
about 22 bulls mostly ageros.
Indians stole the horses at Ewaldinos
puerto at Palmar including 3 from
the saga there. 1 pedron from estancia)
about horses Ewaldinos & Juan followed
up immediately. - Cool nice day.

Tonight late boy from puerto came with
noticia that indians had taken 23 horses
from there.

- 3 -

Gathered horses together to follow indians
up but rain came on and rained about
4 hours after breakfast. - Poor old macho
stolen too, & mula gateado & 2 other mules
from puerto. Weather permitting Asprad
follows up with Casimiro Gay. Elias,
Wenceslao, J. Higuera & Checho, & Ewaldinos
- afraid if they turn up, from following
the indians ~~spontaneously~~. ~~Trapped~~ ~~of~~
vacuos left at puerto that is all.

- 4 -

Left to follow up the indians who had
stolen 14 ^{3 mules} estancia horses from & 5 mares
from puerto Felix and 4 estancia horses
from Ewaldinos puerto herido 8 ^{2 mules} of his
