

Oct 1 / 99. -

Sunday - Began raining this morning with strong wind but not much rain. Looks like temporal & quite cold. -

- 2 -

Butchered cow. - Sent 2 carts for wood. Helped pass troop of 38 novillos which Alfredo Angelis bought from Martin over to Salado on way to Miguels. A. & Dogherby were in boat on lake. Pacheco left thanks good ness. Splendid day cold morning. -

- 3 -

Baldomero entrusted an overo colorado yearling toro to Alfredo Angelis which he takes to Inca as a present to Com. Fernandez. - Mail came at last from Calchaqui 1st in 15 days. - It was a very pleasant day. -

- 6 -

Alfredo and Dougherty went to Calchaqui on the 4^a and came back again at noon. Had dance at Parcho Martin on 4th & settled several business matters. Baldomero left in afternoon in horse cart for Calchaqui Incargado Arivani to bring mail out from Calchaqui. Brought 5 manero bulls from Calchaqui. Hartenueck's camp. - Had splendid weather last few days and camp is looking splendid. Miguel here for night also J. Martin from Calchaqui. M F reports J. Martin selling 38 novillos to Soldado @ \$2. -

- 7 -

Miguel & G. Martin left in morning early. Marked 7 tambora calves and captured about 10 toros. - Stormy day but no rain. Recovered. -

Oct 8

Sunday. - Butchered in forenoon. A. and Dougherty were up at Mistolar. Domingo reports a mare missing from Mistolar Puerto. suppose Indians are about again. -

Strong SE wind blowing, and cloudy looks like temporal very cold in morning. -

- 9 -

Alfredo and Dougherty went down to Damasios & Elias Puerto and marked at Damasios's two tambora calves, & captured some bulls. good tambers there. gave onechano morro potrillo to Damasios's boy. At Elias marked 7 calves. 2 of which had serial (negro & pampa colorado) 2 onechas dispuñtados. Also captured some bulls. On way back cured rosillo toro at Hartenueck's embuchado in eye. Began shearing at Puerto. Left Domingo Sanchez there to help Baldomero & wife came back from Calchaqui with horse cart bringing stores. Juan Martin turned up tonight. Cold day. - Juan Martin turned up tonight. ill (thrown out of his cart?)

- 10 -

Sent cart to Calchaqui with Chacero to take J. Martin to Calchaqui. Went across Salado & brought back two toros padnos, & novillo M. castrated one toro. - Frodo's family were here from Paso Salado where they are, on way to Martin's. Dougherty took sketches of Calchaqui. Recovered camp in afternoon. -

- 11 -

Mare bucked caballero (Vicenti) off and cleared off with saddle. - Butchered old cow. - Sent gente over to Julian Sanchez for rodeo tomorrow. Cart came back from

Oct 1899. -

Calchaqui, also J Martin who stops night. Fine day. Recorred up Palmar. - 12 -

Parted two rodos at Julian's Sanchez about 65 animals. Sister Martinez packed equal number of animals with us. Morrell's gente also parted there. About 2200 head of cattle at Julian's, & about 100 inside of Hartnick's camp. - Some one had butchered a torito de la zona of ours on other side of Juampita. - Very warm day. Sent J. Martin horse to go home with his medicines. - Hot day and looks like seca -

- 13 -

Last night about 12.45 Escobar of Lomo Poi turned up and said they at the puesto heard indians driving off mares Costa Calchaqui, so A. Baldomero, Pedro Ortiz, Machingo, Romulo, & Rafa Barga immediately paddled up ^{and} and went to Juan's (Jonzaly) puesto costa laguna (as the moon went down about 1.20 am) and then went up beyond angostura & struck westward to see whether indians were going out. Went about 2 leagues west of laguna & found no tracks so sent 4 men down to Salado & 3 came back again straight to Juan's puesto & found no tracks. Had sent Juan's companion to Lualaba's to go towards Juampita but they found no tracks. Suppose it was a false alarm. Killed a lion. Miguel was here. Mail came. Hot day. -

- 14 -

Butchered old cow. - Sent old Colorado down to Lomo Poi bring other tropilla

Oct 1898. -

for chacanea. Nothing going on. Very hot days. Dogherty went down to Elias to make sketches and stops the night. - Indians had stolen nothing at Lomo Poi it seems. -

- 15 -

Sunday. - Juvenio Pareda came back this morning with Dogherty from paso. - Stops night. - Went in afternoon to petro with Pareda Miguel was here in morning; goes to Inca in morning. He wants to work here again, (in summer months) Promised to take maize from Pareda @ 40^{cts} per 10K but here when ours is finished in about 40 days. - Had slight shower of rain after midnight with hail; report hail laying around at AM. yet at Mustolar. - Bro't tropilla of gatacudos ~~from~~ from Lomo Poi

- 16 -

Baldomero, Boy, Domingo Sanchez and R. Varga left for Morrells to part out in case they parav rodos to capar. - Strong south wind, & cold. - Federico was here from Martins. Wants Victoria's horse which is up at Miguel's. Nothing going on. Doing some carpentering work. Fixing ground for batatas. -

- 17 -

Bautista began digging hole for new W.C. Alfredo & Dogherty recorred up in monte beyond Calchaqui river. - Butchered cow. - Fine day. & wind

- 18 -

Recorred other side of Salado. - Gabrio went to Calchaqui to bring a bull of ours & an animal of his. - Baldomero came back from Morrells, brought

Oct 1899.

22 animals of ours, 1 of Martins, 1 of Dällers, 1 of Hartenueck's. Warm day.

— 19 —

Gabino brought mail from Calchaqui. Hot day. Marga of locusts passed from W. to East. Working on W.C. - Jente went to puestos to reconj tomorrow.

— 20 —

Had a heavy storm last night but no rain. Had on rodeo Mustolar, disintechand about a dozen calves, & capared about 25 bulls. Did not do more work as some horses were missing. - Finished fixing W.C. - Fixed carts to bring wood tomorrow.

— 21 —

Brought two loads of wood from Hartenueck's camp. Mail came from Calchaqui. Nothing going on. Splendid day. Locusts laying in chacra; eat off lot of maize & vegetables.

— 22 —

Sunday. Hot day. Nothing going on. Dogherby went over to Martins to pay a visit with the Froderetos. Barga from Mueller entragared a trumo sains which he had turned in 20 days.

— 23 —

Went down to Somo Poe to recjida yeguas. Capared 9 echuditos (Corriente) 1 petizo Dradillo, 1 ruano, 2 sains, 1 alasan, 1 picaso, 1 trizado, 1 macho sains, 1 macho colorado. also marked 3 colts / 1 hembra 2 machos. Counted yeguariza 502 chucuras in corral, 26 outside = 528 chucuras, & 203 horses & some mares down there, 14 at Samasios puesto, 20 at

Elías (18 m picaso tropilla) 12 Polons tropilla, 11 Ortiz's tropilla, 4 pirones. 8 perubras, It was a very hot day. - N. F. - Camp drying up fast. a recovered also to Samasios Elías

— 24 —

Had an old fashioned thunder-storm last night, with but a little rain, - but a very heavy rain came down about 8.30 AM, but did not last long. - Butchard cow. Did no work.

— 25 —

Fine spring day. Miguel Fraire was here on his return from Tostado. Reports that it had rained very heavy up that way. Dogherby came back from Martins. Leonas had put on rodeo de la Tapua by mistake. Mr S. Gordon & the Comisario of San Cristobal Theobaldo came in evening with tropilla, and pack horse on the way to recover outside for Land Co.

— 26 —

Went over correspondence with Blew, with Mr Gordon for Land Co. He thinks Co will accept our rent of 4000 gold for 13 leagues mas o menos. Will be back at San Cristobal in about 8 days, & recommends me to go and see Priest then. Went to Fraire's with Gordon & Dogherby in afternoon. - Dionisio Collins came also tonight. Pancho Martinez & Comisario de Campo Valentin Tejira also here for night. - House full.

— 27 —

Gordon, Don Teobaldo, Collins, 2 pernes, & Juan the indio which we lent him left to recover Chilcas. 3 Vizos, 8 Paso de los Indios; Alfredo & Dogherby

Oct 1899.

went with them as far as Vara Calcha-
qui. Splendid day. N. Wind & camp
look splendid towards Barra -

- 28 -

Miguel had marcacion of Judoys calves
(165) went up and gave him a hand
with the gente. Parted out fat cow and
put in potrero. Left 2 cows & calves &
novillito. - Very hot day north wind
& plenty of dust...at corral..

- 29 -

Sunday. Very hot day N wind 9°
Looks stormy tonight. Butchered cow..

- 30 -

Had on rodeo del Estancia and
parted out 11 orechano calves and about
8 bulls to capar. which we did
in corral. Jote Elias, Corinto, and
Surdo helped. Two Swiss boys from
Portugalita came and want to buy
4 or 5 bulls. - It was a windy day
& looks like garra. -

- 31 -

Last day of our financial year. -
Had on rodeo del medio about 4000
head. Sold 4 bulls to Kathermatter
1 requemado overo discomado @ 40 -
1 salpicado 3 yrs, 1 cristo overo, & 1
bragado overo (ano) @ 30 each - 130. -
Countermarked them. - It was a cloudy
morning but in evening a dry tem-
poral sprung up. - Parted out about
75 bulls & castrated them & marked
5 calves. -

{ 8 years have passed since
this was begun
May the next 8 years bring
the same or more luck!
