

MAY, 1903.—19th Week.

Fine day, bit 3 Sunday (123-242) 3rd after Easter. Cloudy. Wind variable. Marked at puesto Mistlar (poor) 22 calves. 2 putrancas, 119 cordons. 30 good tambua novillos for breaking in (34 altogether). - 31 sheep short since count last July. - Nothing getting on.

4 Monday (124-241)

Fine warm day, bit cloudy & variable wind. - Marked at Pasobalchaqui. Very poor marking & calves small. likely from effects of sequia last year. 16 calves & - 2 potreros. Elias marked 50 of his own calves & counted his cattle 241 & some among tambuas of Paso. - Guess he has 300. altogether. Sisto Martiny & 2 peones helped. 1 cart brot load of sand from Palmar. The two cart men: Braellio & Paolo Gayzillas had row so sacked both. Caferato fixing drainage & dug out batatas. -

5 Tuesday (125-240)

Fine warm day variable wind. - A. went down to Somotai at madrugada to begin marking down there. - Had on rodeo there and parted out cows with calves & marked 169 calves and 29 cerreros & 2 putrancitas of tame mares. Done work very nicely without any outside men except Sisto Martiny & 3 of Hartenucks men. - Men went to sleep at Maderos to recover in morning. A. sleeps at Somotai. - J. Bugara not work today. stopped yesterday. -

6 Wednesday (126-239)

Another fine warm day N. & wind. - Brot up mares and marked colts. 88 machos. 65 hembras. also marked 1 mano colt atravesado for Don Sisto. & left 1 fine rosillo colt orejano which Machugo want to buy. Sold a petizo malacasa mare with ditto colt to Senecio Lidesma for 30. - ^{marked this with Elias on Sat.} Also parted 1 big rosillo potrero for Valentin Brabo. regalo made 3 years ago. Afterwards parted out 45 potreros 3th yr & over & 7 mules to break in and left them along fence of south potrero. Very fine potrero. Mares looking well, & seems all here out in corral.

Handwritten notes in the top right corner, including the word "Grand" and some illegible scribbles.

Handwritten numbers in the middle right margin: 20, 50, 50, 50, 50, 50, 50.

Faint handwritten text at the bottom of the page.

MAY, 1903.—19th Week.

7 Thursday (127-238)

Warmish day W wind. fine drying weather for corrals.—
Getting ready for marking tomorrow.—
Don Sisto & Hilario Martinez with their gente here for night.—
Butchered a cow.—

8 Friday (128-237)

Cloudy day (Barometre high,) afternoon 4.³⁰ P.M. very heavy
Began rain came up 40 $\frac{3}{4}$ mm. & continues drizzling.
Began marking. Rodeo Estancia about 1200 head &
parted out the calves with their mothers and mark-
ed in corral 211 calves. finished by 12.¹⁵.
Outside men are Camilo Bergara, Negro Pinto, & Jipr.
Segria. & gente of Hartenucks & some of J. Sanchez.
almost too many men.— Rain stops marking
for some time as came down very heavy.—

9 Saturday (129-236) Half Quarter Day.

Beautiful day.— Could not wish better. Rained last night 2 mm.
Gente all left until corrals get dry again.
Butchered a novillo..
Sent pion to Calchaqui for mail. (Balala.)
Joaquin Huizi here for night on way from Calchaqui.—
Seems had not rained so much towards Calchaqui as
river has not risen. Sag. Palmar rising very slowly.—
The house estero is full.—

MAY, 1903.—20th Week.

10 Sunday (130-235) 4th after Easter.

Cloudy close day Wind variable slight. A was up at Puesti Palmar. Laguna rising & water just getting around tajamar. J. Wilson & Petre here in evening. Nothing going on.

11 Monday (131-234)

Had a heavy steady rain for an hour from 7.³⁰ last night. 30 mm. South wind and fresh day.

Brought over red pesetre bull from Union camp.

Mail came in morning.

Baldacci & Carlos Arellano & the Tucuman rezero came this evening to look at novillado.

Lots of water in camp. more than last year this time.

12 Tuesday (132-233)

First frost slight. Fine day S. wind slight.

Put on video Palmar for the Tucumans. Made a trade with him to entregar 250 novillos @ \$40.⁰⁰ over that he pays 35.⁰⁰ each & says he will take 500 altogether. Parted out about 50 from Redio Palmar & in afternoon put on video Salado where he parted about 45. good many novillos left in each video. Sent Domingo the puestero in for guia to Calchaqui & pay 30^{cts} pr head. (have to find out the custom). Cattle looking well & in video Palmar seem more calves.

13 Wednesday (133-232)

Fine day coldish morning.

Dispatched troop sold to Carlos Arellano. Machengo takes them to San Cristobal 91 as that number go into 7 cars. He paid cash for them.

Put into Salado petros 8 cows & novillos for consuma.

Nothing particular new.

MAY, 1903.—20th Week.

14 Thursday (134-231)

Another fine day.

Butchered cow. —

Domingo Ledesma came back from Calchaqui with quia for tropa for Tucumas (Luis Remis) this afternoon. Sent Romulo to catch up tropa with it. Seems comisario Mayenfisch would not dispatch man sooner as he was in difficulties for killing Mundry himself. —

Calchaqui at paso seems high. seems not to have rained so hard in lower part of camp. — nor in Calchaqui. Caferata harrowed land for quinta. —

15 Friday (135-230)

Another fine day. E wind slight. —

A & Elias went down to see a tropa about 1200 alerce which Escocia Troncosa was taking to Cuyabara & passes Salado at Paso Paraguayo finado. Catch them. —

Sent ponies to sleep at Palmar Puerto to recover tomorrow. Don Sisti here tonight to help tomorrow mark. —

Cornelio the Potus Caracatado here for night with his cattle about 70 on way from Martins to Blasius.

16 Saturday (136-229)

Agreeable day, Coldish, wind East, bit cloudy. —

Had on rodeo Palmar about 2000 head and parted cows & calves for marking. — Locked in corral at 12.30 & in afternoon 3.45 marked 278 calves. One hired man — the rest our men, Hartenecks, & 3 from Sanchez. —

Butchered a ciolla vaquilla. —

Caferata went up to old noria Palmar with cart & dug out & hauled 23 pots. — Romulo who took quia to tropa came back from bridge at Conchas where he had overtaken tropa. —

MAY, 1903.—21st Week.

Cool cloudy 17 Sunday (137-228) Rogation Sunday. E wind slight. -
Had on video Salado about 2000 head, parted & marked 290
calves. very good ones, but so far. finished by 1.30 P.M. -
~~Sent people to puesto to receive tomorrow.~~ Sent mail by
Hilario Martinez. -

18 Monday (138-227) Rogation Day.

Fine day wind changed to south. weather looks
settled..

Had on video del Medio ^{about 3000} and parted out with their
mothers 309 calves & marked them in corral. -
Sent gente to puesto to receive Mistolar tomorrow. -
Pinto, Camilo, & Zepriana also worked today (per day)
Sent cart to Julian Sanchez to haul palms. -

19 Tuesday (139-226) Rogation Day.

Heavy fog this morning and video Mistolar ⁸⁰⁰ was
not on until after nine o'clock. - Fine day. -
Parted out 313 calves with their mothers and marked
them in big corral at puesto. (small corral was
too muddy yet). Best calves marked so far. & show
the most breeding. Cattle also are very fat. -
Caferata took down a cart ^{load} of batatas etc and
the gente are having a regular fiesta. - Same gente
as yesterday. No one at estancia except Demorra
no people of Sanchez worked today.
~~Butchered a very old milch cow (very fat) at puesto.~~

20 Wednesday (140-225) Rogation Day.

Fine day and a bit warmish, wind variable. -
Had on video Lapera about 3000. and parted out
353 calves with their mothers and marked them in
corral at Mistolar. locked them in by 1 P.M. & finished
about 3.30 P.M. - Broke one & another lying in
corral. Practically finished the marcacion: will
have to recur again there are heaps of small
calves & cattle pinada for a winter partition. So
far marked 2006 calves. - Not so bad on a/c
of the great sea of last season (year).

1031 So far (incluso)

1340

16.53 50 grs.

350

21/2 20, 21, 22

3502 of I so far.

MAY, 1903.—21st Week.

21 Thursday (141-224) Ascension Day.

Fine day. N & N.W. wind. Lake does not seem to rise much.

Regulated apco's with the 4 men who worked at marcacion (through Caferatā.)

Marked 24 tambua calves & 2 curros here.—

Butchered cow.—

Mail came.—

22 Friday (142-223)

Warmish day. N wind.

Elias & gente went to mark his colts at paso Calchaqui. Machungo passed with a tropa of 200 small novillos from San Cristobal to Vera. Gave him mark B to sell & count & mark a couple of cows which are at Sand Co's saw mills..

Nothing particular going on.—

Valbuena making small gate to corral

23 Saturday (143-222)

Warm day N and N.W. wind.

Elias & rest of peones except Sando went to Calchaqui for "fiestas Mayas".

A. going tomorrow.

Nothing going on.

MAY, 1903.—22nd Week.

24 Sunday (144-221) Sunday after Ascension Day.

25 Monday (145-220)

26 Tuesday (146-219)

Warm weather, & yesterday had a small shower. —
A. came back from Calchaquí this evening. He had gone
on Sunday, also Elias & 3 of the peones for the fiestas,
which were very good. Saw race between Sauchey (zaino)
and F. Martinez escuro. The former won. — Sisto Martinez
and Knut Sylvan also came for the night. The latter
to reconnoiter camps of Hartnack. — Here seems nothing
new. Alfalfa been piled up by Caferata. —
Left big bags in Calchaquí for Rohr. — Sent a girl
on Hartnack to Baños Sordos to deposit. — Came by
way of campo Barancho & passed guampita in potrero de
los bueyes a nada.

27 Wednesday (147-218)

Had sharp shower last night which lasted from
12.³⁰ to about 5 A.M. (drizzling) 18.* mm. Fine day & wind.
A. went with Knut Sylvan and Don Sisto to gate of
H. Martinez by way of laguna Palmar. The Sylvan reconnoitered
up to administracion Margarita then to Calchaquí
to see what he thinks of these camps. —
The domador Villafañe caught up two potreros lindos
negros to show how he can domar. —
Tropea of cattle (about 500) belonging to Maidana passed on
way to Fuerte Argentino n. of San Bernardo. — Calchaquí
seems rising as water must be going over Tajarar. water
up to Corona at paso Puerto Hilaris

MAY, 1903.—22nd Week.

28 Thursday (148-217)

Misty day but looks like going to clear up.—

Nothing going on except odd jobs.—

Machungo & comp. came back from Saw Mills Vera. Soy
tajamar at Sag. Palmar has broken through and Calchaqui
swimming.

Camp & cattle looking first rate and looks like going
to have a good winter.— Lots of orchanso calves still
in camp. Making up yearly accounts.—

29 Friday (149-216) Oxford Easter Term ends.
Easter Law Sittings end.

Muggy day E wind, no sun.

Loaded up cart with 78 cow hides 925^k and 6 horse
hides which will send to Buissio tomorrow.

Recovered camp.

Villafane caught up 2 more potros turianos & colnradits.

30 Saturday (150-215) Oxford Trinity Term begins.

Sun out again. N wind.—

Sent J. Bugara to Calchaqui with hides (this boy) & to
bring out stores etc.—

Recovered camp.—

Another tropa for Fortin Argentino passing, about 1000 head
belonging to Gauna of La Corina (a Paraguayo) — taking
them amedios.—

Laid out fence for new quinta (orchard)

MAY & JUNE, 1903.—23rd Week.

31 Sunday (151-214) Whit Sunday.

Cloudy forenoon and rained ^{hard} most of afternoon 32.4 mm. warm.
Saw tropa going past. Don't know if it got out of camp before
rain. ^(Kondared at gate) Nothing going on. Butchered novillito

JUNE—1 Monday (152-213) Whit Monday. Bank Holiday.

Very strong N. & wind warm and clear. — Good for camp
which is full of water. Estros chuck ablock full. —

Had to chuck out the alfa cut on the 28th. — (rotten)
A. recovered up to Puerto Palmar. — Tajamar nearly 1/2
swept away. —

Recovered camp. —

Teofilo Suarez here for night. —

2 Tuesday (153-212) Whit Tuesday.

Strong N.E. wind looking very stormy. warm, Barometer
low. — 754. —

Recovered camp. killed big wild capon (hog.)

Found 2 dead calves (capa.)

J. Varga was here. —

3 Wednesday (154-211) Ember Day.

Change of weather. Strong south wind. temporary rain
a bit at madrugada 3 mm. Cold. —

Brot over old bull  from Lucero camp on costa also
a cow & smaller bull. —

Nothing doing extra.

Tropita of 21 novillito of J. Sanchez locked in tonight. —

JUNE, 1903.—23rd Week.

4 Thursday (155-210)

Murky day with south wind, cold and if clears up will be a frost..

Had on rodeo in potrero and counted Frakes cattle 176 marked and about a dozen small unmarked calves.. Also parted 6 animals of Robson's, some odd trunks etc to send to Sonotói. Cattle in potrero not looking well..

Ox cart came back from Calchaquí bringing stores, & may sheller, wire etc.. also mail..

Caprata plowed to plant canes in chacra near estero..

5 Friday (156-209) Ember Day.

Improvialish sort of day but sun was out at sun down Rained 6 mm. at madrugada..

Ilias & gente left with the animals parted yesterday for Sonotói via paso Calchaquí where they part more. Disgraining maize.

6 Saturday (157-208) Ember Day.

Very cold morning, heavy dew & likely frost in low ground..

Rest of men went down to Sonotói for recogido tomorrow.

Nothing going on..

JUNE, 1903.—24th Week.

7 Sunday (158-207) Trinity Sunday.

Go down at madrugada to south potrero..

8 Monday (159-206)

Yesterday South wind, rabbit foggy, ~~uniding~~
Changing to east - a bit warmer today..
Had on video of the yequada and marked 16 colts
(~~broke~~^{rick} one also) & marked 28 calves in south potrero
5 big ones were of Robson's catch. also parted 3 more
potros making 49 potros parted so far.. Today had
on video Lom Poi and marked 67 calves. Lomador
brought up potros to break in.
J. Begava was up at Puust Palmar yesterday to help
Varga mark his calves counted abajo mares
10 milk cows of ours

JUNE, 1903.—24th Week.

11 Thursday (162-203) S. Barnabas, Ap. Corpus Christi.

Foggy morning but cleared up at last with nice sun.—
Galvy and party left in morning for Calchaqui.—
Domador galloping trotts.—

Tomás Bergara went to Calchaqui with his family to
"Christianar" child.—

30 batata plants gave 174 kilos. 200 plants in row.—

10 rows = 11600 K. at rate of 11 per cuadra.—

12 Friday (163-202)

North wind, sunny forenoon. afternoon cloudy and
looks like rain again; rather too much of a good thing.—
Elias & ones passing firewood across paso Salado.—
Nothing new.—

13 Saturday (164-201)

Warm cloudy some sun murky & looks like lots of
rain.

Butched 2 novillos.

Made arrangement with ^{Villafane} Domador to work @ 25.00 per
month began 27th May.—

JUNE, 1903.—25th Week.

14 Sunday (165-200) 1st after Trinity. N. Wind ..

Very warm murky day. —
McTrain was here with a prisoner Augustin Sosa who stole a horse. —
Elias was up at Bargas' puest. brot down P. mules of Bargas & marked
6 lantern cables. J. Aguirre brot mail. —

15 Monday (166-199)

East wind, dampish, cloudy. Barometre low 755.

A. recovered as far as paso. —

Brot wood from paso Salado. Say Salado is a little
lower. — Calchaqui very high. Put barrow stick
with 6 teeth out of water 21 Cms. between each
tooth. — Juan Andres (butcher from Calchaqui)
here for night on way to J. Sanchez. —
Albino Huber also here for night. —

16 Tuesday (167-198)

Another warm murky day E wind. Barom 754. —

Got alfa up from stack in potrero. pretty rotten. —
Nothing going extra. —

17 Wednesday (168-197)

Warm day W wind looks stormy barometre 753½
J. Andres passed with tropita 55 animals of Sanchez
Atubus, Bargas & Elias. —

A. Fillon & bro was here this afternoon & had a look at
Frakes catch. He offers \$28.00 organs for muerto. —
Told him would let him know if no one offers higher price.
Butchered a light cow. (criolla).

Brot up some skins from Salado potrero. —

Sisto Martinez sent word indian tracks or foot were seen
coming in. — Tomas Buzgara came back from Calchaqui
with cart. reports roads bad & Calchaqui rising. —
Sent Romulo to Calchaqui with duradillo for Renner. —

JUNE, 1903.—25th Week.

18 Thursday (169-196)

Wind changed at last to south strong and cleared up although in morning was misty for a bit. —

J. Andres tropa escaped last night from corral at paso but luckily found them again near Mistolar. —

Recovered costa Calchaqui but no indian signs. —

Romulo came back from Calchaqui. —

19 Friday (170-195)

First decent frost of the season. — Cold clear day but wind blowing again N.E.

Butchered novillo. —

Recovered camp. — Nothing new. —

20 Saturday (171-194)

No frost at sunrise as there was a wind. —

N. & N.E. wind, warm.

Elías & gente left for Palmar to make a raft for Lomotai. —

Nothing new. —

Breaking in horse. The two dirodillas pull together now. —

JUNE, 1903.—26th Week.

21 Sunday (172-193) 2nd after Trinity. Longest Day.

Looked very much like rain until noon when strong S wind came up. A was up at Tajamar & where they are making raft. Machugo came from San Cristobal, says butcher Tucumano ^{comes on Wednesday.} 22 Monday (173-192)

Strong Cold south wind clear forenoon: in afternoon cloudy again & wind stopping Barometre 757.

Elias & pueros came back from Palmar. Started balsa with 83 long palms off this morning 3 men on board. Capurata cutting alfa! in big chacra. Got up pesetre bull.

23 Tuesday (174-191)

Variable wind barometre 754 south wind slight. A went as far as paso Calchaqui in trap. Balsa got as far as Puerto Mistolar at noon. Put 3 thin bulls into big chacra. Capurata cutting alfa slowly. Cattle look thinish. fallen off a lot..

24 Wednesday (175-190) S. John Baptist.
Midsummer Day. Cambridge Easter Term ends.

Stormy wind last night but cleared up and frost. 2nd
No wind today barom. 755
Put 4 more ^{thin} bulls into big chacra
Capurata finished cutting alfa at noon.
Nothing going on. awaiting the butcher.

JUNE, 1903.—26th Week.

25 Thursday (176-189)

Fine day. looks settled. N and E wind same 761.
Sent Wencelado to Calchaqui with mail..
As the Tucumano has not turned up, so sent 2 men
with the balsa from Mistolar to Somotri.
Put 3 more thin bulls into big chacra. (10 in now).
Nothing going on. -

26 Friday (177-188)

Fine day S and E wind, very slight frost. 767 same.
Expecting the Co. to have rodeo in Union camp went as
far as paso Salado but seeing no movement came back
again..
Tucumano (Carlos Andanida) and Baldaggi turned
up at noon to part tomorrow. -
Raked hay in afternoon. -

27 Saturday (178-187)

Frost. Wind changed to N. E. and cloudy again in
afternoon. Same 763 1/2
Rode on rodeo Estancia and marked 40 calves & butchered
a novillo. The Tucumano wants to part the torunos first
so they went down to Somotri with the gente to part on
rodeo tomorrow. Mail came from Calchaqui. -
Cafuata and horse cart went to " " .

JUNE & JULY, 1903.—27th Week.

Fine day E. & N.E. ²⁸ Sunday (179-186) 3rd after Trinity. ^{burn 763} Frost.
The Tucumano parted 14 torinos & 1 novillo from south potrero.
~~24~~ novillos & 8 tambores (104) from Rides Lomolai. Lock in
these tonight to part tomorrow at Lapera.

²⁹ Monday (180-185) S. Peter, Ap.

Frost this morning. N wind blowing & looks rainy (Cloudy). ^{burn 759}
Finished tropita for Tucumano at Rides Lapera
where he parted 29 good novillos making a total
of 76 animals 68 @ \$40. and 8 @ \$45. ^{tambores 2, 04} - \$ 3080.
which he paid. Passed them across near Paso
Lucero. and Arellaneda & Baldazzi left for
Martins after breakfast.

Balbuena raked alfa which is in fine condition
but am afraid will get wet.

³⁰ Tuesday (181-184)

Strong North wind and clear most of the day 759 barn.
Lake still rising and not as high yet as in 96".
Boat into galpon 5 loads of alfa..
Balbuena raking. Nothing otherwise going on.
Balsa got to Lomolai at noon. It took 1 1/2 days from Palmar
to Mistolar. 2 days to Paso Calchaqui. & 2 1/2 days to Lomo
Poi - 6 days altogether.

JULY—1 Wednesday (182-183)

Warm day Strong N wind Burn 757.
Hauling alfa & filling passage between coach room
and pesebre.
Nothing going on.
Butchered old cow.
