The great auction of Mr Kemmiss's famous two-year-olds came off to-day at Bullrich's mart and gave magnificent results, on which we are proud to congratulate the famous breeder. The pride of the flock, Angelus (brother of Surplice) provoked sharp bidding, and eventually fell to the splendid figure of 8100 nats., going to the famous Boucan stud. The Pearl filly (sister to Brilliani) fetched a round 3,000. and the average gave 1681 each, a splendid figure, considering two of the fillies are only 'alquilaried.'
