No news from La Minnesota re trying maiz gathering machine.

24 Viernes

114 - 251

Warm day, N wind. Barm getting low. In morning went to Las Tijeras where they were marking calves, gave & fat to Los Rios in afternoon & got poder from Escribanos, & sent off to Oortiqui (gas tomorrow mail). After tea with OB to see about planting 1350 trees along fence of No 10. 3 rows of 3 m apart also saw them feeding bulls.

ABRIL 1931 (30 días)

25 Sábado

115 - 250

Warm & quite day getting cloudy. Revising old Campo Winters account. Another Japanese boy turned up from B.M. to try & replace Low. no. With OB in car in Pot Calle where the well was begun & at woods near road. towards gate. Sykes came in evening for the night.

26 Domingo

116 - 249

Overcast day E slight. Banks the robber got into house again (lost him Sept last year. Was found in sala & I had a shot at him & got the police here & taken prisoner. He had dined in J. Caseros house & cellar drinking champagne & had stolen food, cigars, pencils, ^{from my office} knife etc. In morning Jifford & Keen, & afternoon Mr Raymond & Vi, bowls I lost 1. To dinner & Bridget Raymonds I lost 5,80.

ABRIL 1931 (30 días)

27 Lunes

117 - 248

Wind slight barm low but in evening damped & cleared up with S wind. Getting dry.

Sykes still here. He went with OB & I & had tea at G. Bothlingk at Las Chilcas. Examined his mounts.

Bridge at night.

In morning with Sykes to no 21 & 10. Mules looking well.

Coldish day 28 Martes 118 - 247

Clear & S.W. wind, evening S.E. exp.

Killed a pig. Sykes left in morning.

Finished making cattle (c. alms).

Went with Fleury to Policia to see

about prisoner. Says they will keep

him a month, work & then send him

off. Also saw Campinini about making

metal curtains for back door.

Went into camp with OB ^{no} 14-16-15

Presupuesto Carlos Campinini 103.80
causa don yul 17.

ABRIL 1931 (30 días)

29 Miércoles

119 - 246

Barr 742 N Wind cloudy but in evening had a dry storm.

Got Campinini to see about making a metal curtain for back door, glass top of dining room about 120.- Began breaking in riding colts. Tried to go into camp with OB but came back on account of storm.

Tomorrow to begin sowing alfalfa no 7.

Johnny brot Campbell-Orde who goes to Chaco with me in evening - next month

Coldish day 30 Jueves 120 - 245

S.E. wind stormy in evening & beginning to drizzle.

Doing up monthly accounts.

To dinner & bridge at El Embu

lost 2.25.

Rainfall in month 34 1/2

MAYO 1931 (31 días)

1 Viernes

121 - 244

Nice rain last night 27" which will do the centeno & newly sown alfalfa good. Cold day & wind. Geo Middleton & boy (Henry) arrived in morning. Shot in Pot 5-3-7 few birds. Sykes arrived in afternoon. Doing up accounts.

Cold day 4. ⁰² Sábado 5 wind. 122 - 243

Jo Trail Andrey, baby nurse arrived at lunch time. Tammis in afternoon. Raymonds here for it. Young Middleton left in afternoon.

MAYO 1931 (31 días)

Cold day 3° ^{1st} 3 Domingo 123 - 24
say a ground frost

N W wind slight.

Tennis in morning: G. Middleton

J. Trail, Sykes & Raymond.

Middleton left in afternoon train.

Trails left after tea. Raymonds here
for bowls. I won 2.

Cold day 5° ⁴ 4 Lunes 1° + 124 - 24

Sykes still here.

Went to No 10 with gardeners to see
about planting cypress trees along
fence. about 1350.

current used since 19/10/30 ^{Kil. 16} 3778.
MAYO 1931 (31 días)

Cold day 5° ⁵ 5 Martes' 1° 125 - 240

Sykes left in forenoon.

C. Orde to Los Banderas for night.

Warner 3° N. ⁶ 6 Miércoles Palace Hotel 239

Went to Rosario in afternoon train
& went to club had 2 rubbers of
Bridge lost £1. & pay for cards
to cinema afterwards dinner.

Fine day. MAYO 1931 (31 días)

7 Jueves

127 - 238

In morning did shopping to S.S. Mihanovich line to see about steamer leaving Rosario 2nd P.M. to Ciudad de Corrientes, Sunday.

To Dr Infante to sign a mortgage against Fabian & Videla \$150000

" his camp near Maggiora 3 yrs 8 1/2 % adelantado. Lunch at Club lost 4.50 Medals, Saddle, & Medalist.

Left for Rosario 3 P.M. to C. de J. when Martin left me. -

Warm day

8 Viernes

128 - 237

getting cloudy & night rain.

Making preparations to go to Chaco. -

Bad gum & went to Grimmer the dentist.

MAYO 1931 (31 días)

9 Sábado

129 - 236

Palace Hotel Rosario

Warm day N. Left Rosario with Campbell - Orde in afternoon train, as it looked too rainy to think of motoring to Cañada Gomey in morning tomorrow.

Got steamer tickets to La Palmas & bought a box of dried peaches for Hamilton.

Went to cinema (Monte Carlo) at night quite good. Met manager of Swifts there among other people.

10 Domingo

130 - 235

On board Ciudad de Corrientes en route to La Palmas. In morning had walk to port and Club. Left 3.15 P.M. on steamer after waiting since 2 P.M. Very warm there. Nice steamer but camarates small. Not know any one on board. Parana very high. In evening met Mr & Mrs Cherry-Downes agents for some gas machine & another chap selling creolin. Lost \$1. - playing dummy bridge.

MAYO 1931 (31 días)

11 Lunes

131 - 234

S.S. Ciudad Corrientes. Nice balmy day, stormy looking in evening. Called at Puerto Goya about 6 P.M. An American with family going to Asuncion to teach in American school. Had the beginning of a cold.

12 Martes

132 - 233

Hotel Las Palmas. Over cast day & in evening got cold & damp. Arrived at Corrientes at 8 & left again at 10 A.M. Went on shore with C. Orde & bought some cigars & to market. Arrived at Las Palmas port 1 P.M. & to town in R.R. Bruce offered to send us to Kil 90 in morning. Bononi showed us around cotton ginning, & smelting iron. Making bales of about 230 K. Cotton in bales is worth 170 to 180 per ton Costo 70. to be gathered. Hotel here looks neglected.

MAYO 1931 (31 días)

13 Miércoles

133 - 232

Campo Winter. Miserably cold & drizzly all afternoon. Left in motor van at 8.¹⁵ & got to Kil 90 in about 4 hrs. Lunched there with Hardy, Hamilton & Boothby. Hardy drove me to Estancia Bermigo where we called on the Brownriggs for a chat. Came in new camion with Hamilton but got stuck in Cias' camp at Sanjon badly & had to come here in Cias' car to get help. Hardy says in a few months will finish road for Cias' camp.

14 Jueves

134 - 231

La Ascension del Señor

Did not drizzle today but sun tried to come out in afternoon. C. Orde began working on books which seems rather difficult. Pattered around place on foot. Pasto Gordura seems to do rather well as about a hect has about 15 bulls on it. Wrote to O.B. queen sake when letters will go. Lots of water in camp.

C. Winter

MAYO 1931 (31 días)

15 Viernes

135 - 2

Another dull day & no sun.
Rode on horse back through monte
picado along fence to Rio de Oro. S.
Fine monte virgin. Pasto Gordura
looks very well but guess won't
stand frost, hope it will grow after
winter again.

16 Sábado

136 - 2

Cold dull damp day & no sun.
Rode with Acosta the old peon up
to the Rio Termy's & went along it
to old Fortin towards east side.
River quite high but I guess gone
down about 18 inches from higher -
C. Orde doing up books.

C. Winter

MAYO 1931 (31 días)

17 Domingo

137 - 228

Another cold dull day. No sun again.
In morning walked thro the piquete
west of house. In afternoon rode with
Acosta to west side of camp to gate to
Raffo's camp & Rio de Oro. Fine monte.
Signs of tatar carreta

18 Lunes

138 - 227

Another dull day, drizzled some in
forenoon. Did not go on horse back
all day. Planted a box of the picked
cypress seed from 3 lagunas in a box.
Matrimonios name here is Francisco
Pozzo. & the old man, handy is called
Salvador Acosta.

Elena Contador married 7 K ~~June~~

C. Winter

MAYO 1931 (31 días)

19 Martes

139 - 226

Rained 32nd m last night & drizzled & misted most of the day. 8th day no sun. Gathered some coarse grammilla seed to try at 3 Lagunas. Sort of real cocks foot. Mail came over from Cia Berny's Estancia, also tely from 3 Lagunas. Wrote to OB. as I heard a train was going from Rio 90. to Las Palmas. 5 toucans were shot on Mandarin trees.

~~March~~

20 Miércoles

7th

140 - 225

Cleared up at last, in morning was a bit misty but afterwards nice & sunny. Several toucans were killed again in Mandarin trees. In afternoon rode with Acosta in S E part of Palmar Paterno as far as Berny's Cia fence to estero & back where Ruiz Diaz had lived by an islet in 1916. Campo seems very good down that way, & cattle fat & look preñada. Saw several young calves, but no game of any kind.

MAYO 1931 (31 días) C. Winter

21 Jueves

141 - 224

Cold but sunny day 2 1/2 W. Winds -
Chas B. birth day party, ^{to} which OB Miss Spackman & Mary went to, in afternoon, bringing back Pam Davis. C-Orde doing up accounts of Campo Wente which arrived today for May. Desgrainig main at 2 tijeras. Killed a pig. Tolly called in evening taking C-Orde to Ombu for evening.

22 Viernes

142 - 223

Warmer day & looking stormy again in evening. Hamilton - C-Orde & I rode to Puerto Zapallar, about 2 hrs ride. C-Orde to see about some account. Says steamer probably goes south about the 29th. Had the bulls up in corral about 150. guess about 100 will be fit to work this winter. Says ham to serve 2500 cows.

C. Winters

MAYO 1931 (31 días)

19 Martes

139 - 226

Rained 32^{mm} last night & drizzled & misted most of the day. 8th day no sun. Gathered some coarse gramilla seed to try at 3 Lagunas. Sort of real cocks foot. Mail came over from Cia Bernu's Estancia, also telg from 3 Lagunas. Wrote to O.B. as I heard a train was going from Kil 90. to Las Patmas. 5 toucans were shot on Mandarin trees.

~~Monday~~

20 Miércoles

7. 140 - 225

Cleared up at last, in morning was a bit misty but afterwards nice & sunny. Several toucans were killed again in Mandarin trees. In afternoon rode with Acosta in S E part of Palmar potrero as far as Bermu's Cia fence to estero & back where Ruiz Diaz had lived by an islet in 1916. MAYO 1931 (31 días)

23 Sábado

143 - 222

Damp day, drizzled $1\frac{1}{2}$ in. - no sun. Did not go into camp.

Old Guerrero came to saludar me his two sons are doing chacra work. her.

24 Domingo

144 - 221

Damp overcast day. S wind. Slept.

Rode with Hamilton to Estancia El Bermejo & had lunch and tea with the Brownriggs, $1\frac{1}{2}$ hours ride. played Croquet. Roads still bad.

Lots of Indians on road going to Zupallan. Letter from BS dated on 14th.

C. Ord. still working on books.

MAYO 1931 (31 días) Elpiñón

25 Lunes

145 - 220

Fiesta Cívica

Feast day.

Rained last night 35 in. Too much of a good thing as will be too much water in camp. Partly clear today & cold. Did not go out in camp on horse back today. Capatay gave me a yellowish ant-bear skin recently killed in camp called here Caoqueri, but I see now the name in S America Tamandua. first one I had ever seen.

26 Martes

146 - 219

Not a bad day, sun out at times. Hamilton had ridden to Sombrerito & back today. In afternoon went on horse back to regional, only saw one fava del monte.

Chiquito MAYO 1931 (31 días)

27 Miércoles

147 - 218

Sun was out at times & not a bad day. No mail came today for me from Kie go. Trying to get Corde to finish books. Did not go into camp today.

Triggled a bit in forenoon but afternoon was warm. Went to Puerto to see about steamer. At 10 am it was still at Kil 136 on way up & so probably won't go down until Sunday. In afternoon on horse back to south of camp along fence by windmill saw a montu bird, dark café colour.

Chiquito MAYO 1931 (31 días)

29 Viernes

149 - 216

Warm muggy day. Brown-Rigg called on way to Port & Hamilton went along & had lunch here on way back. Sorry looking horse & out fit his tilbury. Steamer left Port for P. Roca after 8 am. Heard it whistle here. After tea with Hamilton to peigueto Port Encarnada where client was being made to Japiran. A big Dane (domador) called for looking for work

Triggled a bit in morning & looks very stormy again. Went a bit on horse back around maizal & cotton. The pasto Gordura looks well there. Getting ready to leave for Puerto Japallar.

MAYO 1931 (31 días)

31 Domingo

151 - 244

a bordo Vapor 116 B.

Rained last night 24th, cold overcast day. As it was too wet to go in camion, we left on horse back for the Port with Hamilton & 2 peones taking the luggage 2 horses ride & left Puerto Zapallar 10.30 A.M. At about 3 P.M. we picked up Raul Uribe & family at his brother's place. River seems to be falling. Serivan Teron is captain. Errea who says he is administrator of Oswald's camp is on board.

He says one could buy Ganduqui, Angel Telay camp 40000 hectarias @ \$20 per hect. (asking 25.).
