her tea had the 2 miss Cadmus.
Audrey - Moira & Chas for tea.
Bunt, Robert & Señora were also here
for tea. Locust they say are at San
Carcas already.

Warm day NO & N wind.
Looks as if locusts are not far.
Young officer took most of day.
Back after tea with OB, afterwards
in car to no 7
Camp getting dry, but new reef
good.

16 Viernes

260-106

SEPTIEMBRE 1932 (30 días)

17 Sábado

261-105

Warm day (hot) N wind
Locusts arrived in evening
but did not settle around the
house. Went to bank in morning &
drew 1000. to take to Chaco tomorrow with
OB. Willie, Eileen & Sykes came & had
break. I lost 1. The chief of Police (Romeo
de la Sanguinatti, bank manager & Spina
came also. gave chq of 400. this month for
desocupado & promised 500 for next month.
Raymonds & Sykes here for dinner ^{last} night 3.15

18 Domingo

262-104

4 PM train Rosario to Resistencia
with OB. Warm day with N wind.
(Yesterday 34° at 3 Lagunas.)
Left 10:30 with 1400 & caught 11:50 at C de Form.
to Rosario. Lunched 1:40 PM at Palace Hotel, Siesta
took 3:35 PM train to Resistencia. Luckily we
got 2 small compartments joining with
door in between. Locusts were in our garden
when we left. Miss Spackman & Mary left
alone.

SEPTIEMBRE 1932 (30 días)

19 Lunes

263-103

Hotel Saory Residencia. Very hot day & rained a bit about 2 PM but only then. Seems very dry. Here in Residencia they say it was "insupportable". Reached here about 4:30 PM. Streets seem to be improved a lot. Met the Swifts buyer here Wistenebeck in hotel, says Co. are only paying 10 cts. for skins. Godoy says will take us but in morning alone for 100. 65

SEPTIEMBRE 1932 (30 días)

21 Miércoles

265-101

C. Winter. Drizzly day strong S wind gives a temporal. did not do any thing. An indian brot haef a Racer & bought it for 60 cts. Telegram from 3 Lagunas "34" m. lluvia, locusts disappearance.

Campo Winter. 20 Martes 264-102
Rained during night & until noon, but Godoy was awaiting us at Hotel & we left with his carry-all 8:15 AM. The roads were covered with water until about 10 leagues from Zuhalla getting less & there it had not rained at all. & only 6" at C. Winter. Reached here 5:30 PM. R. Paton in charge & Acosta as Cook.

22 Jueves

266-100

Temporal still on. damp & drizzled about 14" in 24 hrs so far, until tonight. Could hardly go out of house all day. Will do the camp good, as it had been very dry & hardly any water in esteros etc.

C. Winters
SEPTIEMBRE 1932 (30 días)

23 Viernes

267-99

Another day of temporal, drizzled some in forenoon. Rained altogether 19 m. Term Min 13 max 15. Went with Patón in car to new forest NE corner of camp & then to Caparras where Fordson is plowing 20 to 30 feet. to be sown in Rhodes Grass. Ground looks friable & good but wants leveling. Merry! When once down how will water catch in it. Packed up skins to send to Mrs Bouwens. 5 fox in bag, 5 id open, 6 curati 4 gati onza 1 gati Calomus 4 lobos del monte. Hanged 90 at Palmas.

24 Sabado

268-98

Cleared up in afternoon. Had plantae & mares up. Later are quite then. Especially the old ones. Grass should blow with bullocks. In afternoon with OB Patón in car to monte Rio Oro getting cactus, orchids etc

C. Winters
SEPTIEMBRE 1932 (30 días)

25 Domingo

269-97

Fine day 12° N.E. wind
In morning with OB Patón in car to Puerto Zapallar & then to saw mill in Guastis camp of Handy Pallini & Sylvester No body home. Fine vigors of Wednesday & Jimbo. Very small demand now.

Roads quite decent. Lefto tea called on at Estancia Cía Berny's & saw Mrs Brownrigg & A.O. Whyte. Brownrigg being in Rosetina stepping his troop which are going on postage at El Cantón.

26 Lunes

270-96

Fine day NE Cloudy up north.
With Patón in car to Zapallar, Barber called on Mr Trecky, Orrola, Ford agency also agent of Cagar Bros. Then Palmas store. People excited about RR getting concession to come to Zapallar & Roca, but seems a disputed. Quijano wants to put decauville from Saery Peña. Telegraphed to Henry have chain harrow made & to expect us about the 5th. In afternoon looked at Rhode Grass in Pig Plantae. Seems to do best in high land. Also saw bricks

~~Cloudy~~
SEPTIEMBRE 1932 (30 días)

In morning with Paton in car to
Sombrecito to have a look at cattle.
Had Picasso rodeo on, not looking too
bad. Had an asado there & started
to recover south part of Picasso, but
had to return on 1/2 of rain. It
fizzled out as only 2". Went also to
Sombrecito laguna which has plenty of
water. A chacra is there, also at 2
gates of Sombrecito, & 1 south part of Picasso.
A big one of Domingo Jesus. Home at 2 gates of ..

27 Martes

271-95

Warmish day. Sol de agua. N wind
slight. In morning OB, I, Paton & a peon
partly in car & partly on horse back
went to S fence of Oro potrero, thro monte
gathering plants. Saw a couple of Carayá
monkeys. on top of high tree. with young.
Paton called on at Estancia Cien Bernijo

28 Miércoles

272-94

SEPTIEMBRE 1932 (30 días)

Warmer day & wind, cloudy in part
several snakes seen. Went in car nearly to
gate of Cien Bernijo on horse back to corner
S E Pat Palmar, but found the 3 Lagunas are
on N E corner of Pat Palmar. Mr Herbert
Hardy came & passed the day here, leaving
again in evening. Very entertaining old
man. Says isleta N.W. of here is called Ya-
pages when drunken officer killed intru-
ders. Paton to port to get various supplies.
Sudan grass had arrived.

29 Jueves

273-93

Hot day NE 30 Viernes 32° looking
stormy. Did not go out this morning.
In afternoon (as we had not heard from the
port of any steamer leaving Las Palmas by
day) we called on at Estancia Bernijo
& talked to Los Palmas who said a steamer
would leave Las Palmas 8 or 8.30 am for Corrientes
& would send an auto with us to meet us at
Rio 90 S Am. sharp. Sunday morning,
Tellyou of 3 day saying rained 30" this
morning.

30 Viernes

274-92
