cast damp day. My Gnipps getting better
not out of house all day.

Red die getting better with copper
ground wire. Heart special making twice
today Res and 6.4°

20 Jueves

263-102

Cleared up with S wind.
Had telegram saying had 42 in
rain at 3 Lagunas.
Still having grippe.

SEPTIEMBRE 1934 (30 días)

21 Viernes

264-101

Warmer day SE wind clearing up.
Had a long walk to Rhodes Grass
where harrowing in view of cutting
later on. In afternoon to Corral where
Mr. Insaco parted out 5 cans of 3¢
fat animals very scarce.

22 Sábado

265-100

Warmer day W.E. Did not do much
in day. In afternoon we all washed
& had tea at the Brownriggs. Estueros
in Barney's. Says martlets are
peeling may be of ground. he shot 2.

SEPTIEMBRE 1934 (30 días)

23 Domingo

266-99

Warm day N. wind.

We all went in car + camion with Paton also to monte south of Sombrito. Paton + I taking Linnæa. De Jesus went to see Raul Urburu at El Carmen. It seems they want to sell their camp in teslamentaria 5600 hect. Revisar the bottom side. Lots were stocked.

24 Lunes

267-98

Warm day N. wind.

In morning with Hamilton, May, Melcher + Miss Spackman on horse back thro' hill pastures + to see about the water question. In afternoon in car with H.B. + the rest to Isleta towards the port looking for cactus etc. Ramseyer, son + another chap called to see if he could buy novillos, but they have none.

Sept.

SEPTIEMBRE 1934 (30 días)

25 Martes

268-97

Windy day, SE, looking stormy towards south. Harvesting Melcher but a load of pquean post + varillas from Zidencu. Trolls at 18 cts unloaded. Walked in afternoon with Miss Spackman to monte + around. BB to Paton.

26 Miércoles,

269-96

Slight rain of 2nd in morning early. - Stopped work of digging at Sombrito. - After tea called on at Brownriggs Estancia Bermejo + got the mail. BB + collecting cactus in afternoon. -

Hotel Savoy Resistencia
SEPTIEMBRE 1934 (30 días)

27 Jueves

270-95

Warm fine day. frost in evening.
C.B. & I left for 3 Lagunas at 12.30
in the estancia Ford, & camion taking
our baggage. Mary, Miss Spackman & Mal-
colm went as far as Zupallar with us.
We had intended to have gone on the auto
via Guayana to Lapachuta but it was not
in working order, so the Ford & camion
took us in our car 2 wheel Zupallar & Irish
Stalin 6.30. Rained dry & bumpy in places.
~~Mal Errea here. To barber. Vargas~~ ^{Gomez} ~~there~~.
Not at home.

28 Viernes

271-94

On train to Rosario.
left in 6.34 train, quite a good fresh day.
Despatched bag with saddle & a box of
cactus by encum. to Rosario. (found when
we arrived Rosario 29th that only the bag had
been despatched. ^{encum got} Station Master Rosario
promised to get it for us.

Las 3 Lagunas
SEPTIEMBRE 1934 (30 días)

29 Sábado

272-93

Fine day cool east wind.
Arrived Rosario 9.30 train & C. defining
where Martin awaited us with Hup.
Weather here whilst we were away was very
variable cool little sun & slight rains.
Lima looking well, many not up yet, camp
coming on very slowly, no locusts yet.
Did office work, paying bills etc most of day.

30 Domingo

273-92

Began raining about 5 am & registered
5th in by 8 clock but it continued slowly all
day along. Nothing doing except in my
office work.
