FREEMAN'S CHLORODYNE.

The Original and only True.

DISCOVERED and invented by Richard Freeman in 1844. Introduced into India in 1850, and subsequently into the Australasian Colonies, Egypt, China, and every other part of the HABITABLE GLOBE.

In the following diseases, no matter in what part of the world they are found, FREEMAN'S CHLORODYNE is a special and specific remedy: diarrhoea, ague, dysentery, (both acute and chronic), ardent, dengue and all other kinds of fever, cramp, colic, gout, neuralgia, rheumatism, sun-stroke, sore eyes, influenza, hooping cough, bronchitis, asthma, epilepsy, hysteria, spasms, sun-stroke, convulsions, sciatica, lumbar, chilblains, and yellow fever.

Freeman's Chlorodyne allays the irritation of fever, soothes and strengthens the system under exhaustive disease, restores the deranged functions, stimulates healthy action of the secretions of the body, gives quiet and refreshing sleep, and marvellously prolongs life. It may be taken by old and young, at all hours and times, according to the directions.

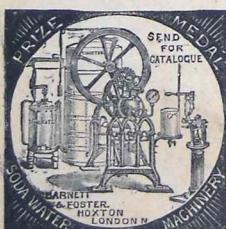

The great characteristic of FREEMAN'S CHLORODYNE is its marvellous power to assuage PAIN of every kind, which no other preparation sold under a similar name possesses in anything like the same degree, has attracted the attention of sufferers in all parts of the world.

One of the most marked symptoms of CANCER is the PAIN—pains of a most severe, intermitting, neuralgic sort, gradually increasing in severity, felt in the tumour itself as a sharp, stabbing or burning sensation. Freeman's Original Chlorodyne is now acknowledged to surpass all other known remedies in allying the pain of cancer. Mr. Freeman's Pamphlet on the treatment and cure of cancer will be forwarded post free.

Manufactured by the Sole Inventor, RICHARD FREEMAN, Pharmacist, 70, Kennington Park Road, London, S.E. Sold by Chemists and Patent Medicine Dealers in all parts of the world, in bottles, 1s. 1d.; 2-oz. 2s. 9d.; 4-oz. 4s. 6d.; half-pints, 1s.; and pints, 2s. 6d.

N.B.—Lord Chancellor Selborne, Lord Justice James, and Lord Justice Melville, decided in favour of FREEMAN'S ORIGINAL CHLORODYNE, and against Brown and Davenport, compelling them to pay all costs in the suits.—See Times of July 24th, 1873.

"The Fruit Garden of the Universe."

Englishmen, Scotchmen, &c., of all classes (small and large capitalists) are now numerous co-operating and are further invited to join in the development of the Australian Irrigation Colonies (in Victoria and South Australia) by establishing vineyards and fruit farms for the supply of wine and fruits to the markets of Great Britain and the Colonies. The progress made has been extraordinary. Mr. D. Christie Murray, the well-known author, &c., who has lately visited these Colonies, writes:—"In a few years' time the district will be the garden of the world." Pamphlets, &c. NOBILITY OF LIFE.

"WHO BEST CAN SUFFER,
BEST CAN DO."—Milton.

The Victorian Reign is unparalleled in the History of Great Empires for its Purity, Goodness and Greatness!!

ABOVE ALL!!!
A FEARLESS DEVOTION TO DUTY AND UNFLINCHING TRUTHFULNESS.
THE QUEEN'S PRIZE.

The Conditions laid down by the QUEEN for the Prize given by HER MAJESTY to the Marine Boys are these:—Cheerful Submission to Superiors; Self-respect and Independence of Character; Kindness and Protection to the Weak; Readiness to forgive Offence; a Desire to Conciliate the Differences of others; and, above all, a Fearless Devotion to Duty, and Unflinching Truthfulness. "Such principles, if evoked and carried into action, would produce an almost perfect moral character in EVERY CONDITION OF LIFE."—SMILES.

SHAKESPEARE Come the small shock there is, 'tis but a man's might shall make us true.
AS YOU LIKE IT.—Small shock there is, 'tis but a man's might shall make us true.
IF ENGLAND TO ITSELF DO REST BUT TRUE.

THE PIVOT OF DUTY.—STERLING HONESTY OF PURPOSE;
WITHOUT IT LIFE IS A SHAM!

THE SECRET OF SUCCESS.—"A new invention is brought before the public, and commands success. A score of abominable imitations follow. By the time the inventor, who in copying the original closely enough to deceive the public, and yet not so exactly as to infringe upon their rights, exercise an ingenuity that, employed in an original channel, could not fail to secure reparation and profit."—ADAMS.

What higher aim can man attain, than conquest over human pain?
For Health and Longevity use ENO'S "FRUIT SALT".

The value of ENO'S "FRUIT SALT" cannot be told. Its success in Europe, Asia, Africa, America, Australia, and New Zealand proves it.

THE GREAT DANGER OF SUGAR, PINK OR CHEMICALLY-COLOURED SHERBERT, OR ACIDULATED SHERBERT MASKED WITH SUGAR.—It is well known that Sugar, Pink, or Chemically Coloured Sherbert, or Acidulated Sherbert, masked with Sugar, Mild Ales, Port Wine, Dark Sherries, Sweet Champagne, Liqueurs, and Bitters, are very apt to disagree; while Light White Wines and Gin or Old Whisky largely masked with Water, are less objectionable. ENO'S "FRUIT SALT" is peculiarly adapted for any constitutional weakness of the Liver. It possesses the power of reparation when Digestion has been disturbed or lost, and places the invalid on the right track to health.

ENO'S FRUIT SALT possesses the power of reparation when digestion has been disturbed or lost through Alcoholic drinks, fatty substances, or want of exercise. Its great value in keeping the body in health were universally known, no family in England had none.

ENO'S FRUIT SALT.—"After suffering two and a half years from severe headache and disordered stomach, and after trying almost everything without any benefit, I was recommended to try ENO'S FRUIT SALT, and before I had finished one bottle, I found it doing a man's great deal of good, and all the time I had been taking it I have not suffered any headache. And others I know that have tried it, have not enjoyed such good health for years."

"Your most truly, ROBERT HUMPHREYS, Post Office, Barrasford."

CAUTION.—Examine each Bottle, and see that the Capsule is marked ENO'S "FRUIT SALT". Without it, you have been imposed on by a worthless imitator. SOLD BY ALL CHEMISTS.

PREPARED ONLY AT ENO'S "FRUIT SALT" WORKS, LONDON, S.E., BY J. C. ENO'S PATENT.
