LIFE'S RACE A BATTLE, NOT A VICTORY.

IN THE BATTLE OF THIS LIFE

ENO'S 'FRUIT SALT'

Is an imperative hygienic need, or necessary adjunct. It keeps the blood pure, prevents and cures fevers and acute inflammatory diseases, removes the injurious effects of stimulants, narcotics, such as alcohol, tobacco, tea and coffee, by natural means; thus restoring the nervous system to its normal condition by preventing the great danger of poisoned blood and over cerebral activity, sleeplessness, irritability, worry, etc.

AT HOME: My Household God.

ABROAD: My 'Vade Mecum.'

A GENERAL OFFICER, writing from Ascot on January 2nd, 1886, says:—"Blessings on your 'FRUIT SALT'! I trust it is not profane to say so, but in common parlance I swear by it. Here stands the cherished bottle on the chimney-piece of my sanctum, my little idol, at home my household god, abroad my *vade mecum*. Think not this is the rhapsody of a hypochondriac; no, it is only the outpouring of a grateful heart. The fact is, I am, in common I daresay with numerous old fellows of my age (67), now and then troubled with a tiresome liver. No sooner, however, do I use your cheery remedy than exit Pain—Richard is himself again. So highly do I value your composition that, when taking it, I grudge even the little sediment that will always remain at the bottom of the glass. I give, therefore, the following advice to those wise persons who have learnt to appreciate its inestimable benefits—

"When ENO'S SALT betimes you take,
No waste of this elixir make,

Writing again on January 24th, 1888, he adds:—"Dear Sir,—A year or two ago I addressed you in grateful recognition of the never-failing virtues of your world-famed remedy. The same old man in the same strain now salutes you with the following—

"When Time, who steals our years away,
Shall steal our pleasures too,

But drain the dregs and lick the cup
Of this the perfect pick-me-up."

Of this the perfect pick-me-up."

ENO'S 'FRUIT SALT' will prove our stay,
And still our health renew."

HEADACHE AND DISORDERED STOMACH.—"After suffering two-and-a-half years from severe headache and disordered stomach, and after trying almost everything, without any benefit, I was recommended ENO'S 'FRUIT SALT.' Before I had finished one bottle, I found it doing me a GREAT DEAL of GOOD, and am now RESTORED to my USUAL HEALTH. Others I know who have tried it have not enjoyed such good health for years. Yours truly, ROBERT HUMPHREYS, Post Office, Barrasford."

SUPERIOR TO ALL OTHER SALINES.—"Dear Sir,—Having been in the habit of taking your 'FRUIT SALT' for many years, I think it only right to tell you that I consider it a MOST INVALUABLE medicine, and far superior to all other saline mixtures I have ever tried. I am never without a bottle of it in the house, as I find it possesses three most desirable qualities, namely—it is PLEASANT to the taste, promptly EFFICACIOUS and leaves no unpleasant after-effects. I do not wish my name to appear, but apart from the publication of that you are welcome to make use of this testimonial if it is of service.—A DISOLUTE LADY."

THERE IS NO DOUBT THAT where ENO'S 'FRUIT SALT' has been taken in the earliest stages of a disease it has, in innumerable instances, PREVENTED A SERIOUS ILLNESS. Its effect upon any disordered and feverish condition of the system is SIMPLY MARVELLOUS. It is, in fact, NATURE'S OWN REMEDY, and an UNSURPASSED ONE.

Examine each Bottle, and see that the Capsule is marked ENO'S 'FRUIT SALT.' Without it you have been imposed on by a worthless imitation

Prepared only by J. C. Eno, Ltd., at the 'Fruit Salt' Works, London, by J. C. Eno's Patent.

ECLIPSES IN 1898.

Of the SUN, Three; of the MOON, Three.

I. JANUARY 7-S. Partial Eclipse of the Moon. Visible generally in the East of North America, in South America, Europe, Asia and Africa. Moon enters shadow, 7th, 11 47m p.m. Middle of Eclipse, 8th, 0h 55m a.m. Moon leaves shadow, 11 23m a.m.

II. JANUARY 22. Total Eclipse of the Sun. Visible as a partial Eclipse in Eastern Europe, in Asia, and Africa, except

ECLIPSES IN 1898—contd.

the extreme West and South portions. The line of total Eclipse begins about 300 miles South-West of Lake Chad, passes over Gondokoro to the North of Magadoda, thence over the Indian Ocean to Rutnagerry, traversing India and China to a point about 620 miles North-East of Peking. Eclipse begins at 4h 46m a.m. in Longitude 22° East, Latitude 0°. Central Eclipse begins at 5h 49m a.m. in Longitude 10° East, Latitude 11° North, and ends at 8h 50m a.m. in Longitude 119° East, Latitude 46° North. Eclipse ends at 9h 53m a.m. in Longitude 110° East, Latitude 36° North.

III. JULY 3. Partial Eclipse of the Moon. Visible generally in Europe, Asia, and Africa. Moon enters shadow, 7h 46m
