MARRIAGE LICENSES.

Special Marriage Licenses.

Marriage Licenses may be procured in London at the Faculty Office, at the Vicar-General's Office, and at the Bishop of London's Registry in Doctor's Commons, between 10 and 4, by one of the contracting parties. In the country, at the Bishop's Registrar's Offices, but these only allow the parties to be married in the diocese in which they are issued; those procured at the Faculty Office, or at the Vicar-General's Office can be made out for any part of the country.

Special Licenses are granted by the Archbishop of Canterbury, through the Faculty Office, Doctor's Commons. The fees payable for license, stamp, &c., are about £30.

Marriage by Banns.

If the contracting parties reside in different parishes or districts, the publication must be made in the churches of each district or parish for three consecutive Sundays, and the marriage must take place in one of the churches wherein the Banns have been published within three months of the third time of publication, or the Banns become void.

Marriages can be solemnized in places of worship belonging to other denominations than the Church of England when the building has been duly licensed.

Civil Marriages can be performed before a duly licensed Registrar. Particulars of such can be obtained at all Registry Offices.
